

Perceptual Study Guide

Answer every question in a complete sentence and highlight 3 key concepts in blue

1) How Method?

1. What methodological problems could be expected if you did observational research without using participant observation?
There would be observer effects, the subjects would know they were being observed and would act differently.
2. What are the benefits of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.
3. What are the limitations of using participant observation?
It is time consuming and expensive. It is also possible that the observer will influence the behavior of the subjects.
4. What are the advantages of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.
5. What are the disadvantages of using participant observation?
It is time consuming and expensive. It is also possible that the observer will influence the behavior of the subjects.
6. What are the advantages of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.
7. What are the disadvantages of using participant observation?
It is time consuming and expensive. It is also possible that the observer will influence the behavior of the subjects.
8. What are the advantages of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.
9. What are the disadvantages of using participant observation?
It is time consuming and expensive. It is also possible that the observer will influence the behavior of the subjects.
10. What are the advantages of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.

2) How Situation?

1. What are the benefits of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.
2. What are the limitations of using participant observation?
It is time consuming and expensive. It is also possible that the observer will influence the behavior of the subjects.
3. What are the advantages of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.
4. What are the disadvantages of using participant observation?
It is time consuming and expensive. It is also possible that the observer will influence the behavior of the subjects.
5. What are the advantages of using participant observation?
It allows you to observe the behavior in the natural setting, which allows you to see the behavior in the context of the situation.
6. What are the disadvantages of using participant observation?
It is time consuming and expensive. It is also possible that the observer will influence the behavior of the subjects.
