Altbach,2011 This encyclopedia is the result of a highly selective enterprise that provides a careful selection of key topics in essays written by top scholars in their fields Comprehensive and in depth coverage of a limited number of countries regions and themes is provided The essays not only feature statistical and factual information but significant interpretation of those facts and figures The chapters on themes and topics are both analytic and interpretative and deal with the most important topics relevant to higher education everywhere More than a compendium of facts and figures the encyclopedia Routledge Library Editions: Education Mini-Set G Higher & Adult Education 11 vol set Various,2021-07-14 Mini set G Higher and Adult Education re issues 11 volumes originally published between 1974 and 1992 They discuss and analyze adult education from both theoretical and practical standpoints and look at the challenges facing adult education during the 1970s and 80s as well as examining the history of higher adult education in the UK The mini set includes one volume which although previously available with another publisher and out of print for some years is now available for the first time from Routledge The NGO Factor in Africa Maurice N. Amutabi,2013-09-13 The book breaks new ground in understanding the role of Non Governmental Organizations NGOs in Africa The book historicizes NGOs using the Rockefeller Foundation as a case study looking at its tripartite paradoxical roles as an agent of colonialism globalization and development underdevelopment It deploys interdisciplinary devices to show how the RF projects have engaged in marginalization patronage and othering of African values and customs and the ensuing controversies Using globalization postmodern and postcolonial theories the book deconstructs the long held myths about NGO inviolability and opens ground for understanding their strengths It interrogates sites of contestation apprehension and possibilities that the RF has produced Using RF projects it looks at structures of hegemony race power class and gender that the RF has created The book illustrates the extent to which the RF has been instrumental in spreading capitalism imperialism in economic political cultural and social realms through globalization It

desists from the grand narrative approach that has dominated African history in the past but instead gives agency and voice to those that have previously been marginalized

The Bloomsbury Handbook of Religious Education in the Global South Yonah Hisbon Matamba, Bruce A. Collet, 2022-02-10 The Bloomsbury Handbook of Religious Education in the Global South presents new comparative perspectives on Religious Education RE across the Global South Including 23 chapters written by scholars from the Global North and South this is the first authoritative reference work on the subject The handbook is thematically organised into seven sections The first three sections deal with provision response to changes in contemporary society and decolonizing RE The next four sections explore young people and RE perspectives on teachers RE in higher education and finally challenges and opportunities for RE The term Global South is used here primarily to signify the deep economic divide with the Global North but the concept is also examined in historical geographical political social and cultural terms including the indelible influence of religion in all four broadly defined regions Exploring RE from local cross national as well as regional and sub regional perspectives the handbook examines RE from its diverse past present realities and envisioned future revealing not only tensions contestations injustices and inequalities of power but importantly how inclusive forms of RE can help solve these problems

Mental Health Crisis in Higher Education Aloka, Peter, 2023-12-29 The COVID 19 pandemic brought about a sudden transition from traditional face to face instruction to online and blended learning The repercussions of this seismic change have left an indelible mark on students particularly those thrust into the challenging realm of fully engaging in online learning during this tumultuous period As we navigate the delicate landscape of higher education post pandemic a critical gap in scholarly literature becomes glaringly apparent there is a scarcity of focused works addressing the nuanced well being of students in this new academic reality Mental Health Crisis in Higher Education is a groundbreaking book that boldly steps into this void offering a comprehensive and meticulously researched examination of the challenges faced by students transitioning from secondary to higher education amid the pandemic By delving into stressors coping mechanisms and the intricate web of factors influencing emotional psychological and physical well being the book is an invaluable resource for academics researchers and institutions seeking to understand and address the multifaceted dimensions of student well being
