

Table 4 Model Answers: The New Deal

a) Write an account of the measures taken by Roosevelt to help the unemployed (15)

One way in which FDR sought to provide immediate relief to unemployed Americans was introducing the Federal Emergency Relief Act (FERA). FERA provided \$500 million in federal grants to state and local governments to fund relief programs for the unemployed. It aimed to address immediate needs, distributing money directly to families and funding public works projects. By 1935, it had provided relief for over 20 million people, showcasing its critical role in reducing widespread suffering as a result of unemployment during the Great Depression.

Next FDR introduced the CCC, an agency which provided jobs to young, unemployed people (16-25) to work on environmental conservation projects, such as reforestation, erosion prevention, and national park improvements. Participants earned \$30 per month, which they sent home to their families. Over its lifetime, the CCC employed 3 million men and planted 3 billion trees, while improving over 800 state parks.

The TVA was designed to regenerate the Tennessee Valley region, which was plagued by unemployment. It created jobs by building dams for flood control, improving irrigation and agricultural conditions, and providing electricity to millions of people, thus addressing the economic challenges of the period.

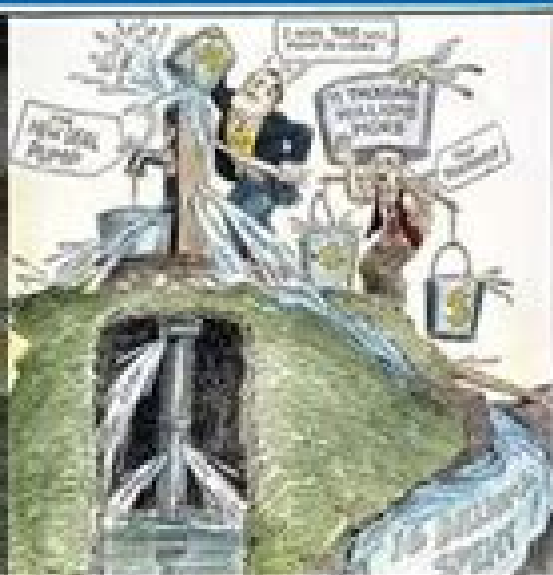

b) Discuss the impact of the First New Deal (25)

The First New Deal, introduced between 1933 and 1934 had a profound impact on the USA during the Great Depression. Although it did not end the Depression, it succeeded in providing immediate relief to millions of Americans, thus laying the foundations for long term economic recovery. In doing so, the New Deal evidenced to the people of America how vital state intervention was in times of socio-economic turmoil and fundamentally changed both the expectation and role of the Federal Government.

One of the most immediate and visible impacts of the First New Deal was the relief it provided to the unemployed and impoverished. Key agencies like the Federal Emergency Relief Administration (FERA) distributed over \$3 billion to states to fund relief programs, which provided food, clothing, and housing for millions. The Civil Works Administration (CWA) provided short-term jobs for millions of unemployed workers during the winter of 1933-34, helping to alleviate the economic hardship.

American Guides Wendy Griswold, 2016-08-26 In the midst of the Great Depression Americans were nearly universally literate and they were hungry for the written word With an eye to this market and as a response to unemployment Roosevelt s Works Progress Administration created the Federal Writers Project They produced the Project s American Guides an impressively produced series that set out not only to direct travelers on which routes to take and what to see throughout the country but also to celebrate the distinctive characteristics of each individual state The series unintentionally diversified American literary culture s cast of characters promoting women minority and rural writers while it also institutionalized the innovative idea that American culture comes in state shaped boxes

Unearthing Indian Land Kristin T. Ruppel, 2008-12-15 *Unearthing Indian Land* offers a comprehensive examination of the consequences of more than a century of questionable public policies In this book Kristin Ruppel considers the complicated issues surrounding American Indian land ownership in the United States Under the General Allotment Act of 1887 also known as the Dawes Act individual Indians were issued title to land allotments while so called surplus Indian lands were opened to non Indian settlement During the forty seven years that the act remained in effect American Indians lost an estimated 90 million acres of land about two thirds of the land they had held in 1887 Worse the loss of control over the land left to them has remained an ongoing and insidious result *Unearthing Indian Land* traces the complex legacies of allotment including numerous instructive examples of a policy gone wrong Aside from the initial catastrophic land loss the fractionated land ownership that resulted from the act s provisions has disrupted native families and their descendants for more than a century With each new generation the owners of tribal lands grow in number and therefore own ever smaller interests in parcels of land It is not uncommon now to find

reservation allotments co owned by hundreds of individuals Coupled with the federal government s troubled trusteeship of Indian assets this means that Indian landowners have very little control over their own lands Illuminated by interviews with Native American landholders this book is essential reading for anyone who is interested in what happened as a result of the federal government s quasi privatization of native lands Communicating the Future W. they are performed Incomplete as printed texts and scores musicals take on unpredictable lives of their own in the complex transformation from page to stage Using lenses borrowed from performance studies cultural studies queer studies and ethnoracial studies Unfinished Show Business Broadway Musicals as Works in Process argues that musicals are as interesting for the provocative issues they raise about shifting attitudes toward American identity as for their show stopping song and dance numbers and conveniently happy endings Kirle illustrates how performers such as Ed Wynn Fanny Brice and the Marx Brothers used their charismatic personalities and quirkiness to provide insights into the struggle of marginalized ethnoracial groups to assimilate Using examples from favorites including Oklahoma Fiddler on the Roof A Chorus Line and Les Mis rables Kirle demonstrates Broadway s ability to bridge seemingly insoluble tensions in society from economic and political anxiety surrounding World War II to generational conflict and youth counterculture to corporate America and the me generation Enlivened by a gallery of some of Broadway s most memorable moments and some amusing obscure ones as well this study will appeal to students scholars and lifelong musical theatre enthusiasts
