Sounds and Sweet Airs Anna Beer, 2016-04-07 The hidden history of the women who dared to write music in a man's world Lucid engaging and exuberant *Sounds and Sweet Airs* is terrifically enjoyable and accessible and leaves one hankering for a second volume The Sunday Times Francesca Caccini Barbara Strozzi Elisabeth Jacquet de la Guerre Marianna Martines Fanny Hensel Clara Schumann Lili Boulanger Elizabeth Maconchy Since the birth of classical music women who dared compose have faced a bitter struggle to be heard In spite of this female composers continued to create inspire and challenge Yet even today so much of their work languishes unheard Anna Beer reveals the highs and lows experienced by eight composers across the centuries from Renaissance Florence to twentieth century London restoring to their rightful place exceptional women whom history has forgotten

The Passion Price Miranda Lee, 2010-08-01 Jake Winters still has that edge of danger about him The onetime teenage tearaway has transformed himself into a successful wealthy Sydney lawyer When Jake comes back into Angelina's life she senses that he won't welcome the news that their brief youthful passion left her pregnant He only wants an affair However the intense sexual attraction between them is too hard to deny can Angelina let Jake have her body but keep her secret to herself

The Analyst in the Inner City, Second Edition Neil Altman, 2011-08-24 In 1995 Neil Altman did what few psychoanalysts did or even dared to do He brought the theory and practice of psychoanalysis out of the cozy confines of the consulting room and into the realms of the marginalized to the very individuals whom this theory and practice often overlooked In doing so he brought together psychoanalytic and social theory and examined how divisions of race class and culture reflect and influence splits in the developing self more often than not leading to a negative self image of the other in an increasingly polarized society Much like the original this second edition of *The Analyst in the Inner City* opens up with updated detailed clinical vignettes and case presentations which illustrate the challenges of working within this clinical milieu Altman greatly expands his section on race both in the psychoanalytic and the larger social world including a focus on whiteness which he argues is socially constructed in relation to blackness However he admits the inadequacy of such categorizations and proffers a more fluid view of the structure of race A brand new section *Thinking Systemically and Psychoanalytically at the Same Time* examines the impact of the socio political context in which psychotherapy takes place whether local or global on the clinical work itself and the socio economic categories of its patients and vice versa Topics in this section include the APA's relationship to CIA interrogation practices group dynamics in child and adolescent psychotherapeutic interventions and psychoanalytic views on suicide bombing Ranging from the day to day work in a public clinic in the South Bronx to considerations of global events far outside the clinic's doors but closer than one might think this book is a timely revision of a groundbreaking work in psychoanalytic literature expanding the import of psychoanalysis from the centers of analytical thought to the margins of clinical need
