Sight and Sound ,1997 **Man of Taste** Rob King,2025-04-02 Radley Metzger was one of the foremost directors of adult film in America with credits including softcore titles like The Lickerish Quartet and the hardcore classic The Opening of Misty Beethoven After getting his start making arthouse trailers for Janus Films Metzger would go on to become among the most feted directors of the porno chic era of the 1970s working under the pseudonym Henry Paris In the process he produced a body of work that exposed the porous boundaries separating art cinema from adult film softcore from hardcore and good taste from bad Rob King uses Metzger s work to explore what taste means and how it works tracing the evolution of the adult film industry and the changing frontiers of cultural acceptability Man of Taste spans Metzger s entire life his early

years in Manhattan's Washington Heights neighborhood his attempt to bring arthouse aesthetics to adult film in the 1960s his turn to pseudonymously directed hardcore movies in the 1970s and his final years which included making videos on homeopathic medicine Metzger's career King argues sheds light on how the distinction between the erotic and the pornographic is drawn and it offers an uncanny reflection of the ways American film culture transformed during these decades Lavishly illustrated with rare photos and publicity images this book paints a vivid picture of a filmmaker who channeled his artistic aspirations into some of the most disreputable movie genres of his day **Spy**, 1995-06 Smart Funny Fearless It's pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There's no magazine I know of that's so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It's a piece of garbage Donald Trump The Soul Beneath the Skin David Nimmons, 2002-05-28 This surprising and thought provoking book begins with the obvious fact that Stonewall happened 30 years ago and the perhaps less obvious fact that in the 30 years since an enormous number of social science studies have been done on gay men Dave Nimmons proceeds to synthesize that information to reveal a number of unseen patterns of gay male behavior truths about our lives we feel instinctively but have not named For instance countless studies show that gay men have developed a culture in which public violence is almost non-existent which is notable when you consider that violence in this society is almost entirely a male phenomenon Even in intensely over-crowded gay bars and discos with alcohol and testosterone saturating the atmosphere fist fights are virtually unheard of On in the area of volunteerism study after study shows that gay men volunteer at a much higher level than any other segment of the population and very interestingly our volunteerism is about evenly divided between gay and non-gay causes as are our charitable contributions Our patterns of intimacy and friendship are much more diffuse and extended than heterosexual patterns sexual jealousy and exclusiveness are extremely different as are our relationships with women and our pursuit of playfulness and sexual bliss Altogether these gay social innovations have no parallel in modern American culture they describe a new kind of public ethics one with deep implications for gay men and for the larger society **Hard to Imagine** Thomas Waugh, 1996 Waugh identifies four primary aspects of homoerotic photography and film the artistic the commercial the illicit and the politico-scientific tracing their development against a background of advances in visual technology This comprehensive work explores a vast eclectic tradition in its totality analyzing the visual imagery in addition to its production circulation and consumption PC Magazine, 1996 **A Dirty Seduction** Trevor J.
