When firefighter Jeremy Davis responds to an emergency call at the home of the town's resident Santa Claus only weeks before Christmas it's anything but routine when he comes face to face with the man's granddaughter He hasn't laid eyes on Bella since their first awkward kiss thirteen years ago and now she's all grown up and gorgeous Bella Burton is in town to help her aging grandfather and to take a break from her flailing singing career The last thing she expected was to run into the scrawny boy she used to spend her summers with Especially since the sexy strong man he'd turned into was far from the kid she remembers It may have been over a decade ago but the connection between them that they were too young to recognize when they were kids is still very much alive and it's stronger than ever But Bella's only in town for a short time Can the magic of Christmas and the spirit of the season spark a love that's strong enough to last long past the holidays
