Helpful Hints for Parent-Teacher Conferences

- sit next to the parents, not across from them
- start with a positive comment
- provide a suggestion for reinforcement or further work at home
- short, sweet and simple is the way to go (avoid educational jargon)
- LISTEN to the parents and their concerns
- end on time (commit to another conference or phone conference to avoid going over the allotted time)

Interpreting Professional Self-regulation Celia Davies, Abigail Beach, 2000 Interpreting Professional Self Regulation analyses the contribution made by the UKCC to the development of the nursing profession in this country over the last 30 years It details the key issues the council grappled with during this time and provides in depth analyses of the complexity of these issues There is a general consensus that the current view of nursing s regulatory body will culminate in a major shake up of the way the nursing profession is governed and in which the UKCC will be radically transformed This publication of the history of the

UKCC will mark the close of a very significant period in nursing's history and the opening of wider debates about ensuring the safety of the public through regulation of health professionals. This is an important text for all those who teach on professional and policy issues in nursing giving them a factual background that has never been brought together before enabling them to bring discussion of post registration education discipline and other professional matters more firmly into the curriculum.

OECD Reviews of Evaluation and Assessment in Education: Student Assessment in Turkey Kitchen Hannah, Bethell George, Fordham Elizabeth, Henderson Kirsteen, Li Richard Ruochen, 2019-09-09 Turkey's education system stands out internationally as a success story. In recent decades participation has been vastly expanded becoming universal at lower levels of schooling and outperforming other middle income countries in upper secondary education. However the education system is also marked by disparities with only around half of 15 year olds acquiring the essential competencies they need for life and work.
