Cianchi, 2015-03-24 Radical Environmentalism Nature

Identity and More than human Agency provides a unique account of environmentalism one that highlights the voices of activists and the nature they defend It will be of interest to both students and academics in green criminology environmental sociology and nature human studies more broadly Resources in Education ,2000-10 *Illusions of Democracy* Sophie Lemièrè,2025-10-01 *Illusions of Democracy* Malaysian Politics and People offers an up to date and broad analysis of the contemporary state of Malaysian politics and society Transcending disciplinary boundaries it offers a look at Malaysian politics not only through the lens of political science but also anthropology cultural studies international relations political economy and legal studies touching on both overlooked topics in Malaysian political life as well as the emerging trends which will shape Malaysia s future Covering silat martial arts Malaysia s constitutional identity emergency legislation the South China Sea dilemma ISIS discourse zakat payment the fallout from the 1MDB scandal and Malaysia s green movement *Illusions of Democracy* charts the complex and multi faceted nature of political life in a semi authoritarian state breaking down the illusions which keep it functioning to uncover the mechanisms which really underlie the paradoxical longevity of Malaysia s political economic and social system **Business Opportunities, Start-ups, and Digital Transformation in Africa** LIT Verlag,2023-10-23 Volume 23 2022 2023 of the African Development Perspectives Yearbook focusses on the issues of digital entrepreneurship digital start ups and digital business opportunities in Africa It investigates links between digitalization and development of productive capacities It deals with business opportunities created by the digital transformation It discusses the role of universities in the digital transformation process It also presents book reviews and book notes Country case studies include Senegal Ghana Ivory Coast and South Africa Research in Education ,1972-05 **Peace Research Abstracts Journal** ,2000 Global Trends in Eastern Europe Nikolai Genov,2016-04-22 Eastern Europe was once clearly defined by the centralized political and economic organization of the societies in the region They shared the same official ideology and were members of the same alliances After 1989 the region collapsed in an economic political and cultural implosion What were the moving forces of this profound change What are its consequences Could we try to reasonably foresee any future developments In this thought provoking book Nikolai Genov presents a systematic description and explanation of Eastern European societal transformations after 1989 They are interpreted as adaptations to four global trends upgrading the rationality of organizations individualization spreading of instrumental activism and universalization of value normative systems Adaptations to these trends have generally been successful However Genov notes that the process is marked by many failures as well They are mostly caused by path dependency in the societal development and by the varying quality of relevant decisions other destructive developments are due to contradictions in the global trends themselves Guided by the assumption that the societal and supranational integration mechanisms in Eastern Europe before 1989 could not resist the overwhelming power of global trends Genov s controversial findings question visions about the end of history and simultaneously strengthen the confidence that most complex macro social processes can be

rationally managed A timely book allowing for a much needed engagement in contemporary debates on the controversial processes in Eastern European transitions

The Aspen Institute Guide to Socially Responsible MBA Programs: 2008-2009 The Aspen Institute, 2008-06-23 The Aspen Institute a premier non profit research organization for corporate social responsibility offers the first comprehensive guide to the world s leading global MBA programs in CSR an indispensable guide for prospective students universities hiring companies and libraries This guide provides an overview of how global MBA programs bring social impact management into their curricular and extracurricular programs Social impact management which includes environmental ethical and corporate governance issues is the field of inquiry at the intersection of business needs and wider societal concerns that reflects their complex interdependency Without an understanding of this interdependency neither business nor the society in which it operates can thrive Each year business schools from around the world strive to differentiate themselves and attract the best and the brightest future business leaders while prospective MBAs are looking for a program that will provide effective management skills to succeed in the changing face of business The bottom line is no longer exclusively dedicated to financial returns Rather business leaders must also consider the environmental and social impacts of their decisions in order to compete in today s marketplace The MBA schools that participate in the Aspen Institute s survey and are therefore highlighted in the Aspen Institute Guide for Socially Responsible MBA Programs 2008 2009 are leaders in integrating these issues into their MBA curricula

study or few case studies in peacebuilding scholarship the chapters examine critical peacebuilding issues at the local state regional extra regional and continental levels in Africa This book will be of key interest to scholars and students of African politics peace and security studies regional organizations development studies state building and more broadly to international relations public policy diplomacy international organizations and the wider social sciences Future Visions of Urban Public Housing (Routledge Revivals) Wolfgang F. E. Preiser, David P. Varady, Francis P. Russell, 2017-08-03 First published in 1994 this book brings together the papers presented at the International Forum on Future Visions of Urban Public Housing held on November 17 20 1994 in Cincinnati Ohio Participants included public housing officials academics practitioners and public housing residents who came together to debate compare and analyse practices and issues in urban and public housing in industrialised nations The 55 collected papers address the following key topics public housing policy comprehensive neighbourhood planning for public housing public housing in the urban design context quality of design standards and guidelines for public housing resident participation and enhanced self sufficiency in public housing public housing alternatives revitalising and rehabilitating public housing the Elderly Children and special populations in public housing The findings suggest new directions for policy and agendas for action **Social Media for Strategic Communication** Karen Freberg, 2025-07-30 Social Media for Strategic Communication Creative Strategies and Research Based Applications teaches students the skills and principles needed to use social media in persuasive communication campaigns Author Karen Freberg combines cutting edge research with practical hands on instruction to prepare students for the challenges of today s workplace With an emphasis on strategic thinking and awareness the book equips students to adapt their skills to emerging platforms and technologies Its broad focus on strategic communication from PR advertising and marketing to non profit advocacy provides a comprehensive foundation for success in diverse career paths The Third Edition features a brand new chapter on social media and crisis communication discussion of AI integrated in each chapter and new case studies in addition to updated coverage of changes to platforms trends strategies and emerging challenges across social media **Junior Angler Instructor's Guide** Theresa Stabo, 2002 *Social Entrepreneurship and Business Ethics* Anica Zeyen, Markus Beckmann, 2018-09-03 Social entrepreneurs are change makers that aim to solve society s unsolved problems Not surprisingly social entrepreneurship has thus created high expectations To better understand the potential as well as the limitations of social entrepreneurship however a more nuanced approach is needed in two ways First social entrepreneurship is a multi level phenomenon It spans macro level questions as well as meso level questions and finally micro level questions If we really want to understand social entrepreneurship we need to bring together all three levels of analysis and see how they are connected Second while social entrepreneurship can certainly produce socially desirable outcomes we also need a critical perspective to capture potential undesirable effects that social entrepreneurship can cause often unintendedly in society in markets in organizations and for individuals To this end an ethical perspective can help complement the positive analysis of

social entrepreneurship with a discussion of the normative implications of its potential dark side Looking at social entrepreneurship from both a multi level analysis and an ethical perspective Social Entrepreneurship and Business Ethics takes the reader on a journey through the bright side as well as the potential dark side of social entrepreneurship for societies organizations and individuals Highlighting both this book not only seeks to provoke researchers and students to advance their understanding of social entrepreneurship It also hopes to help practitioners to better realize the positive contributions of social entrepreneurship for society
