wounds that are a direct result of the damage that has been done during the very critical school age years when many of us were trying to find out who were and develop some self esteem Unfortunately for most gay men that I have spoken to had very lonely childhoods where they felt isolated picked on at school and they most often felt like outsiders I believe these experiences have done more damage to gay people than we have ever given credit to As a result these ghost wounds have never been healed and follow them around for a lifetime unless addressed and will influence much of your behaviors and most importantly your ability to understand and really feel the beauty and deliciousness of true intimacy whether it be with friends or lifepartners Frequent sexual encounters are not intimacy It s devoid of intimacy and often leads to a deeper feeling of isolation loneliness and depression The last of what I want to say is good luck in your que **Angels with Dirty Faces** Walidah Imarisha,2016-01-18 There was a time I believed prisons existed to rehabilitate people to make our communities safer When I saw for the first time but not the last a mother sobbing and clutching her son when visiting hours were up only to be physically pried off and escorted out by guards I knew nothing about that made me safer This is the heart of this country s prison system And the prison system has become the heart of America Walidah Imarisha from the introduction This is no romanticized tale of crime and punishment The three lives in this creative nonfiction account are united by the presence of actual harm sometimes horrific violence Walidah Imarisha a sexual assault survivor brings us behind prison walls to visit her incarcerated brother Kakamia and his fellow inmate Jimmy Mac McElroy a member of the Irish gang the Westies Together they explore the questions People can do unimaginable damage to one another and then what What do we as a society do What might redemption look like Imarisha doesn t flinch as she guides us through the complexities and contradictions of transformative justice eschewing theory for a much messier reality The result is a nuanced and deeply personal analysis that allows readers to connect emotionally with the stories she shares and the people behind them Walidah Imarisha is a writer organizer educator and spoken word artist She is the co editor of Octavia s Brood Science Fiction Stories From Social Justice Movements and author of the collection of poetry Scars Stars **Members for Life** Richard F.
