Records management has undergone significant change in recent years due to the introduction of freedom of information
legislation as well as the development of e government and e business and the need to manage records effectively in both the
private and public sector There are very few purely practical texts for records managers and this book aims to fill that gap
The author has spent his entire career in public sector records management and has contributed to records management
standards for governments around the world The text is wholly practical and written at an accessible level Although the
author discusses legislation and examples from the UK the book is relevant to public sector records management at an
