Pharmacology John W. Kozarich, 1983-01-01 *Pharmacology* National Learning Corporation, 2020-03-15 *Saunders Online Specialty Test - Pharmacology* Linda Anne Silvestri, 2003-03-21 Part of a new series of Online Specialty Tests, this internet based exam focuses on pharmacology and contains approximately 100 high quality review questions. Updated annually, it includes all of the components students need to help them practice and review for the Boards. Each exam in this series provides practice questions in an electronic environment much like the NCLEX RN examination to help students and recent nursing graduates feel more confident before the NCLEX RN examination. Practice questions are presented in an electronic environment much like the NCLEX RN. Students can practice at their own convenience in an online environment. Results of the test show strengths and weaknesses and provide faculty with information to help evaluate student readiness and curriculum effectiveness. Upon test completion, students can print a study booklet with questions, answers, rationales, references to textbooks, codes, and test taking strategies to use as a study tool to increase their probability of passing the Boards. The test includes approximately 100 questions in a scrambled format, allowing students to have a unique testing experience and to help faculty ensure security. Students are given feedback reports immediately upon completion of the test. Reports include an overview of results including number and percentage of questions answered correctly and a percentage of achievement in each of the three categories and sixteen subcategories scored on the test. Client needs, integrated concepts, and processes and cognitive ability. Students will be able to e-mail their results directly to faculty.
