- The 2019 test book at each grade
- Results can be used to see how schools, districts, and the State overall are progressing with standards. However, State law and Regulations of the Education Commissioner prohibit districts from using test results for placement decisions for students based solely or primarily on the performance on these tests.

2020 Grades 3-8 ELA and Math Tests on computers rather than by paper. Students will have the same questions as the paper versions. Students in 2020 will take practice tests and their districts must have had prior experience with the computer version. The computer version has the potential to further reduce the time for students with disabilities.
