Education and Development in Zimbabwe Edward Shizha, Michael T. Kariwo, 2012-01-01 The book represents a contribution to policy formulation and design in an increasingly knowledge economy in Zimbabwe It challenges scholars to think about the role of education its funding and the egalitarian approach to widening access to education The nexus between education democracy and policy change is a complex one The book provides an illuminating account of the constantly evolving notions of national identity language and citizenship from the Zimbabwean experience The book discusses educational successes and challenges by examining the ideological effects of social political and economic considerations on Zimbabwe s colonial and postcolonial education Currently literature on current educational challenges in Zimbabwe is lacking and there is very little published material on these ideological effects on educational development in Zimbabwe This book is likely to be one of the first on the impact of social political and economic meltdown on education The book is targeted at local and international academics and scholars of history of education and comparative education scholars of international education and development undergraduate and graduate students and professors who are interested in educational development in Africa particularly Zimbabwe Notwithstanding the book is a valuable resource to policy makers educational administrators and researchers and the wider community Shizha and Kariwo s book is an important and illuminating addition on the effects of social political and

economic trajectories on education and development in Zimbabwe It critically analyses the crucial specifics of the Zimbabwean situation by providing an in depth discourse on education at this historical juncture The book offers new insights that may be useful for an understanding of not only the Zimbabwean case but also education in other African countries Rosemary Gordon Senior Lecturer in Educational Foundations University of Zimbabwe Ranging in temporal scope from the colonial era and its elitist legacy through the golden era of populist universal elementary education to the disarray of contemporary socioeconomic crisis covering elementary through higher education and touching thematically on everything from the pernicious effects of social adjustment programmes through the local deprofessionalization of teaching this text provides a comprehensive wide ranging and yet carefully detailed account of education in Zimbabwe This engagingly written portrayal will prove illuminating not only to readers interested in Zimbabwe s education specifically but more widely to all who are interested in how the sociopolitical shapes education how ideology policy international pressures economic factors and shifts in values collectively forge the historical and contemporary character of a country s education Handel Kashope Wright Professor of Education University of British Columbia **Teacher in Zimbabwe** ,2014 **The Incubus** Kawengo Samachai,2012 Tanyaradzwa who because of his love for a beautiful young woman Nadia is unknowingly recruited into a secret sect of incubi Nadia is sent away from home by her parents after a late tryst with Tanyaradzwa and demand 400 00 as compensation before they can accept her back Desperate and broke Tanyaradzwa seeks help from Mr Sinyoka a moneylender and fellow employee who unbeknownst to him bears his father a grudge over a past slight He gets tainted money from Mr Sinyoka and from the moment he accepts it a chain of bizarre incidents start unfolding *Science Teachers Association of Nigeria* Science Teachers Association of Nigeria. Annual Conference,2002* **Women and Words** Irene Staunton,John Crowe,2002 **Studies in Art Education** ,2003 **Validating Technological Innovation** David Coniam,Peter Falvey,2016-04-02 This book discusses Hong Kong s use of onscreen marking OSM in public examinations Given that Hong Kong leads the way in OSM innovation this book has arisen from a recognised need to provide a comprehensive coherent account of the findings of various separate but linked validation studies of onscreen public examinations in Hong Kong The authors discuss their experience of the validation process demonstrating how high stakes innovation should be fully validated by a series of research studies in order to satisfy key stakeholders **Facets of Power** Richard Saunders,Tinashe Nyamunda,2016-04-18 The diamond fields of Chiadzwa among the worlds largest sources of rough diamonds have been at the centre of struggles for power in Zimbabwe since their discovery in 2006 Against the backdrop of a turbulent political economy control of Chiadzwas diamonds was hotly contested By 2007 a new case of blood diamonds had emerged in which the countrys security forces engaged with informal miners and black market dealers in the exploitation of rough diamonds violently disrupting local communities and looting a key national resource The formalisation of diamond mining in 2010 introduced new forms of large scale theft displacement and rights abuses Facets of Power is the first comprehensive account

of the emergence meaning and profound impact of Chiadzwa's diamonds Drawing on new fieldwork and published sources the contributors present a graphic and accessibly written narrative of corruption and greed as well as resistance by those who have suffered at the hands of the minerals secretive and violent beneficiaries If the lessons of resistance have been mostly disheartening ones they also point towards more effective strategies for managing public resources and mounting democratic challenges to elites whose power is sustained by preying on them **Facets of Power** ,2023-01-10 The diamond fields of Chiadzwa among the world's largest sources of rough diamonds have been at the centre of struggles for power in Zimbabwe since their discovery in 2006 Against the backdrop of a turbulent political economy control of Chiadzwa's diamonds was hotly contested By 2007 a new case of blood diamonds had emerged in which the country's security forces engaged with informal miners and black market dealers in the exploitation of rough diamonds violently disrupting local communities and looting a key national resource The formalisation of diamond mining in 2010 introduced new forms of large scale theft displacement and rights abuses Facets of Power is the first comprehensive account of the emergence meaning and profound impact of Chiadzwa's diamonds Drawing on new fieldwork and published sources the contributors present a graphic and accessibly written narrative of corruption and greed as well as resistance by those who have suffered at the hands of the mineral's secretive and violent beneficiaries If the lessons of resistance have been mostly disheartening ones they also point towards more effective strategies for managing public resources and mounting democratic challenges to elites whose power is sustained by preying on them The O Level Book ,2016-10-27 Dust off your slide rules and get your thinking caps on with this wonderfully nostalgic yet challenging collection of authentic O Level exam papers from the 1950s The O Level Book is the perfect book to settle that age old argument between the generations were the exams of yesteryear really harder than anything children have to face today in the age of calculators and spell checkers Testing you on a range of old school topics such as English Language General Science Geography History Household Cookery and Mathematics with hundreds of authentic exam questions and answers this anthology is the perfect way to test yourself and refresh your knowledge Great for those who enjoy a bit of a challenge this is the perfect way to find out whether the old ways really were the best *Notes on Examination in English Literature at O Level* Sidney Hubert Atkins,1961
