editorials that have been written by the author All have been published in one or more newspapers In addition several personal letters to individuals or to organizations have been added in which similar tactics were used Along with each of the letters are comments by the author which are in italics These comments are intended to make a point and more important to demonstrate the tactic used to express his opposition to or his support for an action or a lack of action The trick is to make the point destroy the opposition and do it without making a direct personal attack on an individual or organization Using a rather unique style the author injects just enough humor in his letters to take some but not all of the sting out of his comments Sometimes readers take him literally and this does raise the interest level How to Restore Ford Tractors
