Exploited A. Meredith Walters, 2017-07-25 In this pulse pounding novel from the bestselling author of Butterfly Dreams a vigilante hacker plays a seductive game with the agent who's chasing her online and sharing her bed in real life At first glance I'm nothing out of the ordinary I am a daughter A sister A friend When you look at me you won't see anything that warrants suspicion I don't look like a criminal My name is Hannah Whalen but most people know me as freed0mov3rdr1v3 or Freedom Overdrive one of the world's most prolific and notorious hacktivists My goal my purpose is to shed light on the evil that lurks behind the corporate and government lies we have been force fed for too long My story begins with the best possible intention Devoting my life to exposing the corrupt The dishonest The unethical For that they label me a cyber terrorist Wanted by the FBI I've always been one step ahead Until I fell in love Because I'm sleeping with the man who's hunting me And he has no idea that I am his prey Now I have to decide what's more important my freedom or my heart Note Exploited ends on a cliffhanger Hannah's story continues in Aftermath Praise for Exploited A high stakes game filled with suspense Fans of M Leighton and Sierra Kincade will enjoy Exploited Harlequin Junkie I found this book very intriguing It had a different plot line that kept me turning the pages A Meredith Walters did an excellent job portraying the cyber world without making it too overly complex for readers to follow Smut Book Junkie Book Reviews I was left in suspense at the end dying to get the answers that I needed I will read the next book because I want my answers The Heathers Blog If you enjoy reads with a bit of suspense and crime internet crime in this case then check this one out Steamy Reads Exploited is a story of a woman's journey in righting the wrongs I think cyber related stories are interesting due to the character's life in two different worlds I was intrigued by this duality and excited to dive into this one Warhawke's Vault Book Blog I enjoyed this story very much The plot was great I like the chemistry and the connection between the characters Crazies R Us Book Blog Includes an excerpt from another Loveswept title [Good-Vs-Evil](#) Anastacia Burrell, 2018-12-29 God is there to save you from harm The devil can't take no more then you can't ever have in life on what you can have is yours in life who stands by the great waterfalls of life stands for ups and downs everything is meant for a reason because you wonder why your life is so block from others because something maybe missing in order to put common sense together which was unsaid and done that needs to be done so you cherish the memory of that day of your life every stone you can ever take and every breath in your body give it to god and glory and take a deep breath and praise God Trials must be mistaken because whatever you do or whatever you did it must be something or what you did needs to be fixed and prepared of a dislike compare to or a distance A distance is a challenge of course or a state of mind What people do for a living is the unit of life It's the bad things that you do that makes trials go wrong and bad rather than right One way it is or another and one way it doesn't What you do or what you don't do you pick up the pieces of the puzzles and get it right on time on the dot and line and you take a piece of the pie what you like and dislike and show and prove the way you want it You talk about the good old times and sometimes it's about

the wrong times of your life and the things you did in the past whether it be good or bad in your wildest dream life You take that and swipe your shoulders off The greater it is the badder it maybe It can be fixable that same day or a couple of days a head Trouble don t last always and not for long That s how it works and what should be done and you take it and fix everything that has been broken You stand forward to that and be strong and have strength and whatever that needs to be done and whatever that it is you can t do you don t have to do it or put up with it Be yourself and do all that you can do as possible and that s all you can do You cannot please everyone because it s gonna have a passing moment when you can do something or not and you will be tired of it It also includes fatal attraction breaking relationships tragedies boo thangs lover and friends blessings curses magic spells cast of spells Buddhism voodoo and many more [The Defective Delinquent Class](#)
