Mission Statement

It is the mission of the Poliquin International Certification Program to globally foster and educate our strength coaches and personal trainers. Providing them with superior education and practical application, in turn will raise the level of sport performance and healthy lifestyle ideas. Poliquin Performance was founded on this philosophy and continues to be our driving force to help us remain the world leader in strength and conditioning education.

Program Overview

The Poliquin International Certification Program (PICP) recognizes strength coaches around the world who demonstrate the knowledge and skills able to effectively train athletes internationally.

Higher-quality strength coaching is an imperative component in improving sports performance. The PICP will provide strength coaches with unsurpassed skills in program design and teaching methodologies.

Naturopathic Physical Medicine Leon Chaitow, 2008-04-24 NATUROPATHIC PHYSICAL MEDICINE provides a philosophical naturopathic perspective as well as practical clinical applications for manual and physical approaches to health care A wide range of bodywork and movement approaches and modalities are evaluated in relation to their ability to be appropriately used in naturopathic treatment and rehabilitation settings The model of care emphasised in this text recognizes that naturopathically oriented therapeutic interventions usually focus on achieving one or all of the following enhancement of function so that the person system or part can better self regulate in response to adaptive demands modification or removal of adaptive load factors and symptomatic relief without creation of significant additional adaptive changes

Performing Animals Karen Raber, Monica Mattfeld, 2017-09-07 From bears on the Renaissance stage to the equine pageantry of the nineteenth century hunt animals have been used in human orchestrated entertainments throughout history The essays in this volume present an array of case studies that inspire new ways of interpreting animal performance and the role of animal agency in the performing relationship In exploring the human animal relationship from the early modern period to the nineteenth century *Performing Animals* questions what it means for an animal to perform examines how conceptions of this relationship have evolved over time and explores whether and how human understanding of performance is changed by an animal's presence The contributors discuss the role of animals in venues as varied as medieval plays natural histories dissections and banquets and they raise provocative questions about animals agency In so doing they demonstrate the innovative potential of thinking beyond the boundaries of the present in order to dismantle the barriers that have traditionally divided human from animal From fleas to warhorses to animals that perform even after death this delightfully varied volume brings together examples of animals made to act in ways that challenge obvious notions of performance The result is an eye opening exploration of human animal relationships and identity that will appeal greatly to scholars and students of animal studies performance studies and posthuman studies In addition to the editors the contributors are Todd Andrew Borlik Pia F Cuneo Kim Marra Richard Nash Sarah E Parker Rob Wakeman Kari Weil and Jessica Wolfe
