senior year with the help of teen movies and a new crush in this story described as the next coming of age hit perfect for fans of Jenny Han by Booklist in a starred review Enore Adesuwa doesn t dive into things she walks in carefully So when she her mother and her sister move from Nigeria shortly after her father's death she wants to be extremely prepared before attending high school in America Her cousin doesn t have time to explain the ins and outs to her but luckily he recommends the perfect research tool teen movies Still dealing with grief but armed with a set of rules of survival gathered from these movies including the crucial rule of keeping a low profile Enore is ready for her senior year But when she meets Davi Santiago it may be much harder than she thought to keep to her rules Because not only is he super thoughtful and okay very good looking he constantly encourages her to share her incredible singing talent Enore prefers the background but it just might be time for her to take center stage even in spite of her mother's strict expectations. It would be easier to follow all the rules the ones Enore set for herself and the ones her mom imposes but as every teen movie has taught her a coming of age is nothing without a little rebellion And with help from her crush her sister and some new friends who don't guite play the roles she expects Enore s senior year might indeed be cinematic Something Wonderful Todd S.
