The Great Deception Christopher Booker, Richard North, 2005-01-01 The Great Deception shows how the most ambitious political project of our time has for more than 50 years been based on a colossal confidence trick the systematic concealment from the people of Europe of what the aim of this project has always been since its inception in the late 1940s Updated to include the recent developments in Europe including the referendum and the upcoming votes in France and Holland As it reveals for the first time the true story behind the long term plan to build a politically united Europe the authors show how all previous attempts to reconstruct the history of this project whether written by Europhiles or Eurosceptics have got it wrong at almost every step along the way With all the suspense of a detective story drawing on thousands of books papers and official documents many of which have only become publicly available in the past few years the book traces how a handful of determined visionaries set out more than half a century ago to weld the countries of Europe into a single political state

Final Fantasy , Congressional Record United States. Congress, 1963

Reader's Guide to Military History Charles Messenger, 2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations
