Roller Chain Guide Rail

Jim Bomar

Roller Chain Guide Rail:

Conveyors Patrick M McGuire,2009-08-05 This is probably the first book in 40 years to comprehensively discuss conveyors a topic that seems mundane until the need arises to move material from point A to point B without manual intervention This book gives industrial designers engineers and operations managers key information for determining which type of conveyor to purchase and how to use it to meet their transport needs It discusses requirements for specific products or materials and environmental factors including extreme temperatures Each chapter covers a specific type of conveyor including chain belt and gravity varieties highlighting the primary features such as load capacity and rate and operation
