

Personal Reflection Paper

This statement should be ten pages in length with 1 inch margins, Times New Roman 12 point font, and 1 ½ line spacing. Please note that applications are evaluated on the completeness with which these questions are addressed and the degree of insight demonstrated. Special attention is paid to expression of clear long-term professional outcomes, strengths and weaknesses, self-awareness, openness to self-exploration, previous research experiences, and clarity of writing. Applicants to the Personal Financial Planning Ph.D. program should be prepared to balance interests in research, practice, and policy application.

1. Identify three issues in the personal financial planning field that warrant research, and discuss how achieving a Ph.D. will help you facilitate answers to these issues.
2. What do you consider to be strengths that will help you become an outstanding researcher and educator? When answering this question elaborate any training, skills, or experiences that will help you achieve success in the doctoral program.
3. What do you consider to be the area that will need most attention during your training? If you have something unusual in your background that might be considered a deficit, please discuss it.
4. What critical events from the past have most influenced your present personal and professional development?
5. How has your personal life impacted your professional life? If you experienced set-backs or obstacles how did you overcome them?
6. Why do you want to obtain a Ph.D. in Personal Financial Planning from Kansas State University?
7. What personal qualities can you contribute to the Ph.D. program at K-State?

White Double-Consciousness Kenneth P. Sider, 2019-05-20 Despite the best intentions of teacher educators diversity awareness in teacher education typically reproduces a racial hierarchy privileging Whiteness while also educating preservice teachers against this very hierarchy The phenomenon which is effortless and easily reproduced is constructed in part through student self expression peer interaction and instructional practices This inquiry follows White undergraduate students in a state university through an academic semester in order to capture autobiographical reporting at the outset asynchronous peer mediated online discussions at the mid term and concludes with personal reflections on self perceptions of growth Using grounded theory this phenomenological study examines participants relationships to White privilege in order to improve instructional practices in the teacher education classroom The relationship between the private and public faces of participants is analogous to the micro level and macro level function of their words which is organized using a theoretical framework where critical pedagogy micro level and critical race theory macro level serve as interpretive lenses These lenses provide a wide view of participants experiences in the course and increases what is known about the instructional experiences in teacher education This inquiry suggests that the teacher education classroom is an ideal space to shift the focus from intellectualization to self actualization Teacher educators can provide opportunities where students insights help dissolve the barrier between the real world and the classroom A sense of pedagogical wholeness that includes one s self is needed in order for preservice teachers to become antiracist educators who will provide the appropriate environment and support their future students will need *Introduction to Education (Minor Course)," Paper Code: EDNMIN-101-4*

KHRITISH SWARGIARY, 2025-05-13 As the author of Introduction to Education Minor Course Paper Code EDNMIN 101 4 I am delighted to present this textbook meticulously crafted for students embarking on their B A 1st Semester journey at Bodoland University In an era where education is recognized not merely as the transmission of knowledge but as a transformative force this book serves as a foundational guide to understanding its intrinsic nature pervasive functions and

profound impact My primary objective in authoring this text was to align seamlessly with the course objectives to cultivate a deep understanding of the meaning aims objectives and functions of education to acquaint learners with the pivotal role of schools within society and to illuminate various aspects of curriculum the correlation of studies and different forms of discipline Through sixty carefully structured lectures designed to facilitate a comprehensive grasp of the subject this book endeavours to empower students with the basic aims and fundamental concepts of education enabling them to apply theoretical knowledge to real world educational scenarios and develop critical thinking skills essential for evaluating educational policies practices and research It is my sincere hope that this volume will not only serve as a robust academic resource but also ignite a passion for lifelong learning and contribute to the development of enlightened citizens capable of contributing meaningfully to both national progress and international harmony **CUET-UG Psychology [Code-324]**
