Shakespeare Without Fear Mary Janell Metzger,2004 As a high school and college student Mary Janell Metzger sat through old school lectures that swamped Shakespeare in literary tradition and form leaving no breathing room for individual interpretation As a teacher she yearned to connect students to Shakespeare s plays and in Shakespeare Without Fear she

tells you how she finally removed the barrier between text and inquiry by focusing on the rich interactive possibilities between student teacher and bard Shakespeare Without Fear offers methods that will get students emotionally and imaginatively involved with the plays while developing their capacity for critical judgment Ideal for the experienced teacher as well as for the English Education methods course Shakespeare Without Fear first debunks the idolatry and polarizing academic politics surrounding the study of Shakespeare and then allays reader anxieties by setting up the plays as engaging historical works instead of items to check off a cultural literacy list Next Metzger takes you into real classrooms for a complete look at how she and other educators teach several major works including Romeo and Juliet and Hamlet offering both a framework for teaching any Shakespearean drama and play specific essential questions for teaching ten of his other most popular plays Covering topics like teaching to standards the challenges nonnative speakers face reading Shakespeare and formatting lessons for AP instruction Shakespeare Without Fear will help you create conditions where Shakespeare explodes off the page and into the imaginations of your students

[“Is It Easy Being Green?”](#) Justin Nevin,2014-09-18 More and more universities and colleges are looking beyond grade point averages and standardized test scores to choose their incoming freshman What criteria do these institutions of higher education use as their litmus test the college application essay But will your average high school essay do the job When competing against thousands of qualified candidates a college applicant needs more than an introduction three paragraphs and a conclusion in their writer s tool belt they need the skills to stand out from the crowd Is It Easy Being Green Writing the NEW College Application Essay offers every applicant the skills needed to write a powerful and successful application essay Using real life examples and testimonials Is It Easy Being Green moves away from a strictly academic point of view and uses creative writing techniques memoir personal essay genre in particular to teach students how to write engaging and effective application essays Centering on a narrative and lyrical balance Is It Easy Being Green is written in an approachable and easy to understand style
