Stressors/Extraordinary Events/New Issues Presented Today	<p>There are four options available for staff using this section of the progress note:</p> <ol style="list-style-type: none"> 1. If person does not report/present any new issues, mark "None Reported" and proceed to planned intervention/goals. 2. If person reports a new issue that was resolved during the session check the "New Issue resolved, no CA Update required" box. Briefly document the new issue, identify the interventions used in the Therapeutic Interventions section and indicate the resolution in the Response section of the progress note. If services are provided during the session that have not been previously ordered in the Individualized Action plan, then an explanation of the rationale for those services should be provided. 3. If person presents an issue that has been previously assessed and for which Goals/Objectives and services have been ordered, then the information may be briefly documented as an indicator of the progress or lack of progress achieved. 4. If person presents any new issue(s) that represent a therapeutic need that is not already being addressed in the IAP, check box indicating a "CA Update Required" and record notation that new issue has been recorded on a Comprehensive Assessment Update of the same Date and write detailed narrative on the appropriate CA Update as instructed in this manual. Also, the newly assessed therapeutic information may require a new goal, objective, therapeutic intervention or service that will require further use of the IAP Review/Revision form. <p>Example: Person became uncharacteristically angry with another group member during the group session and the two began arguing loudly. Group therapist intervened and assisted person with identifying what had triggered excessive anger today. Person was able to recognize that the other group member reminded her of her abusive uncle and apologized to the other member.</p> <p>Example of New Issue needing CA Update: The person reported new symptoms of nightmares, intrusive memories, and</p>
