Nsfas Status At University Of Venda:

Students with Disabilities and the Transition to Work Oliver Mutanga, 2019-07-01 This book sets out to understand how students with disabilities experience higher education and the transition to the workplace It foregrounds the voices of students and graduates in order to explore identity inclusion participation and success of youth with disabilities in higher education as well as their transition from university to employment The author proposes a new understanding of disability considered in terms of a continuum of abilities balancing empirical data theory and policy analysis with specific regard to the interests of youth with disabilities making a unique contribution to discussions on access inclusion and success in higher education and employment These discussions inform social development and educational policy planning and implementation not only in South Africa but also in countries with a similar context particularly in terms of remedial courses of action that bring social justice to people with disabilities Students with Disabilities and the Transition to Work will be of interest to all scholars and students working in the fields of disability studies particularly those with a focus on critical disability studies and disability in the global south as well as those working in higher education sociology development studies and social policy

Global Development of the Community College Model Carmen L. McCrink, Heidi Whitford, Natasha C. Stubbs, 2017-03-13 While the community college is a longstanding institutional type within the U S the success of this model has recently garnered international attention As countries outside the U S grapple with issues regarding access and affordability of higher education opportunity the concept of the community college has gained traction This issue explores The global expansion and development of the community college model in various countries and regions around the world Insights into the establishment and sustainability of these institutions in other countries through research and analysis and Case studies that focus on the development and implementation process of community colleges amid various social political and economic contexts This is the 177th volume of this Jossey Bass quarterly report series Essential to the professional libraries of presidents vice presidents deans and other leaders in today s open door institutions New Directions for Community Colleges provides expert guidance in meeting the challenges of their distinctive and expanding educational mission

Universities, Employability and Human Development Melanie Walker, Samuel Fongwa, 2017-01-20 The book makes a significant contribution to critical higher education studies specifically to graduate employability research and to capabilities and education research The book moves beyond the simplistic conception of alleged gaps in graduate skills and mismatches between employers and universities and instead provides an innovative multi dimensional and intersectional human capabilities conceptualisation of graduate employability The book challenges an individualised notion of employability instead locating employability issues in social and economic conditions and argues that employability choices cannot be divorced from inequality Qualitative and quantitative data from multiple case study universities in South Africa are used to explore the perceptions and experiences of diverse students lecturers support officers and employers regarding what each

university is doing or should be doing to enhance graduate economic opportunities and contribute to inclusive development The book will be highly relevant to students scholars and researchers in the fields of education and sociology particularly those with an interest in graduate employability **Remote Possibilities** Amy Jane Conger,2005 **Democratizing Higher Education** Patrick Blessinger,John P. Anchan,2015-03-12 Higher education systems around the world are undergoing fundamental change and reform due to external pressures including internationalization of higher education increased international competition for students less reliance on public funding and calls to create greater access opportunities for citizens How are higher education systems evolving structurally as a result of these and other pressures In light of these changes how can higher education be a positive force for democratizing societies This book examines the emerging trends taking place in higher education systems around the world focusing on the most salient political and social forces that underlie these trends Each chapter provides a case study of a country exploring its cultural and political history the political and social developments that have affected its higher education system and the result of these changes on the higher education system In a fast changing knowledge intensive democratic society Democratizing Higher Education explores how higher education systems can be developed to provide access affordability participation and quality life long learning for all
