I'm sort of like sneakers
for a car. I help it run
really fast and far.

Hopscotch and skating fit
me to a tee. Don't walk on
the grass. Just walk on me!

I'm not really needed
during the day. At night
I'm turned on to show
you the way.

Fill me with seed and hang
me high. I'll bring visitors
down from the sky.

Delivery services look
for me. Make sure I'm placed
where I'm easy to see.

I like things tidy and neat.
I really like it when you
wipe your feet.

Jump on me rather
than the ground.
Jump higher
than all's that
around.

Try to resist me on a hot summer day.
I'll make you cool and burn at
the same time, so come and play.

Hot dogs, hamburgers, and
more. On here you'll find
plenty of food
galore.

I nourish my body by
eating grass. I can run with
electric, but I prefer gas.

Some people think I look a little
weird. With my pointy hat and my
long white beard.

Some people think I'm
nasty and gunk, but without me,
you'd be out of luck!

How the Story Starts Once upon a time Grumble a bad fairy lived in the made up town of Fairytale Ville Grumble was known for how much he liked shiny things and how often he got into trouble He lived deep in the magical forest where old trees whispered secrets and strange animals roamed free Grumble the goblin who liked to cause trouble made this strange area his home As soon as he opened his eyes in the morning he heard the beautiful songs of birds and the soft rustling of leaves The air had a magical feel to it that made him feel like anything was possible When Grumble was looking through his collection of odd things one sunny morning his sharp eyes got a glimpse of something strange A dusty spider web covered old map was sitting in a forgotten nook The edges of the paper were torn and it had turned yellow with age Grumble s heart skipped a beat when he realized he had found a secret treasure an ancient relic full of excitement and a lot of money Grumble slowly opened the map with shaky hands revealing a confusing maze of lines and symbols His eyes lit up with joy as he ran his finger along the old roads and sites trying to figure out what the cryptic clues meant On the map there was a path to a secret place that was said to have the most valuable wealth in the whole enchanted forest Grumble s cheeky smile grew

as he thought about how exciting it would be to go on a treasure hunt His quick fingers held on tight to the map and his mind was full of thoughts He knew he couldn't go on this trip by himself he needed the help of his friends each of whom had different skills that would help him complete his task Grumble set out to find his best friend the fairy Flutter with excitement running through his blood Flutter was known for her beautiful wings which sparkled in all the colors of the rainbow She was good at finding things that were hidden and had as much courage as the wildest adventures Grumble found Flutter under a beautiful stream Her beautiful body was floating over a delicate flower On the mossy ground he was almost silent as he walked toward her He waved the map in front of Flutter with a mean look in his eyes and couldn't hide his excitement He told Flutter Look what I found It's a treasure map Let's go on a treasure hunt Grumble opened the dirty map to show its beautiful details and his eyes grew big with happiness The paper showed a large part of the magical forest with landmarks and strange symbols all over it It was a treasure map that could lead to wealth and adventures you could never imagine Grumble's heart was beating faster as he moved his finger along the lines following the way to the prize Legends said that it was so valuable that it was worth more than any other prize in Fairytale Ville Grumble's bad heart was filled with joy at the thought of finding such a rare gem As he enjoyed his new wealth he could already see the envy and respect in the eyes of his fellow goblins The map became his compass and gave him a sense of direction Grumble's mind went crazy with each step as he thought about all the money and diamonds he would find at the end of the journey He knew that the road ahead would be hard and full of obstacles but he kept going because he wanted the prize Grumble went deeper into the magical woods because he was excited by what he didn't know the chance to find something new and the promise of endless wealth As he set out his mind was full of questions What might he find along the way Would he have to deal with creatures that were out to get him Or to get to his prize he might have to solve problems and avoid tricky traps Grumble's heart raced with excitement even though he was used to danger He liked the thrill of outsmarting his opponents and getting past obstacles The chance to find a big treasure got his goblin senses going so he kept going with determination Grumble figured out that he couldn't go on this trip by himself He needed the help and skills of his teammates to deal with the problems that were coming He walked through the magical forest with the map tightly in his hand looking for his best friends to join him on this amazing journey Grumble was excited to go on a journey with Flutter who never got scared and Snicker who was smart and funny They would get past any problem to get the treasures that were buried deep in the magical forest As Grumble went deeper into the bush he was getting more and more excited He liked the unknown because it was mysterious and exciting and he was looking forward to the journey that was waiting for him In his hands the map was more than just an old piece of paper It became a sign of possibilities and dreams about to come true Grumble's eyes shone with purpose because he knew the prize he was working for was more than just money It was a test of courage persistence and the strength of friendships With the help of his loyal friends and the treasure map Grumble went on a journey in Fairytale Ville that would change the

course of his life for good Grumble's heart leapt with joy as he thought about all the fun things they were going to do If Flutter was with them they couldn't lose They would find out the secrets of the enchanted forest and work through problems and wins together Grumble saw that Flutter's bravery and amazing ability to find things that are hidden gave them a good chance of solving the puzzles that lay ahead Grumble and Flutter went to the warm den of Snicker the squirrel together Snicker was known for being smart and funny so he was the perfect person to help them find the prize As they got closer to Snicker's house Grumble's steps got lighter because he was getting more and more excited about their next adventure When they came Snicker was busy getting acorns and putting them in neat piles His bushy tail moved back and forth as he carefully put his wealth in order Grumble and Flutter gave each other a knowing look eager to tell their clever friend about what they had found Grumble walked up to Snicker with a mean grin and waved the map in his face Snicker we need your help Look we found a treasure map We're going on a treasure hunt Snicker looked at the old piece of paper with wide eyes His fast paws stopped sorting the acorns and a mean look flashed in his eyes He asked A treasure hunt you say Count me in my friends Let's find this hidden treasure and make our own legends Grumble Flutter and Snicker huddled together and talked excitedly about their plans They looked at the map tried to figure out what the strange marks meant and planned how to get through the magical forest
