from the White House brings a certain sense of mission accomplished for Cafferty that's only the beginning. In *Now or Never*, the curmudgeonly Cafferty applies his heat-seeking scrutiny to the hot button issues that top the 2009 agenda including the economy, China, Iraq, the war on terror, and our broken immigration, education, and healthcare systems. Will Obama turn things around, or will it be business as usual? Will a hitherto spineless Democratic Congress hold individuals accountable for abuses of power? Cafferty gives voice to the fears and hopes of Americans from all around the country; he also gets personal with moving stories of his experiences raising kids with values that seem to be disappearing in our culture. Powerful, provocative, and drawing on the latest news from America and around the world, *Now or Never* makes lively reading for Cafferty fans and everyone who cares about America today. — *Now or Never* Penny Jordan, 2014-10-15

Maggie, Nicki, Alice, and Stella: For four close friends, it's the bonds of friendship that have seen them through life's ups and downs. Nothing can shake their support of each other until one of them drops a bombshell that will change their relationships forever. Maggie, a successful businesswoman, is surprised when her decision to have a baby at age fifty-two threatens to divide the group. Family and financial problems plague Nicki, causing her to slip further into a depression sparked by her troubled past. Alice begins to question whether marrying young was a mistake and decides to change her life as she fears her husband is having an affair. And practical Stella is shocked to find that she's allowed herself to be tempted by a man other than her husband. Suddenly, it's time to take stock: What has happened to their once-golden hopes and dreams? Are they destined to remain unfulfilled forever, or will the strength of their friendship help those dreams come true? — *Now Or Never* Tom Luce, Chris Tucker, 1995
