Now Discover Your Strengths:

Now, Discover Your Strengths Marcus Buckingham, Donald O. Clifton, 2001-01-29 Unfortunately most of us have little sense of our talents and strengths much less the ability to build our lives around them Instead guided by our parents by our teachers by our managers and by psychology's fascination with pathology we become experts in our weaknesses and spend our lives trying to repair these flaws while our strengths lie dormant and neglected Marcus Buckingham coauthor of the national bestseller *First Break All the Rules* and Donald O Clifton Chair of the Gallup International Research Education Center have created a revolutionary program to help readers identify their talents build them into strengths and enjoy consistent near perfect performance At the heart of the book is the Internet based StrengthsFinder Profile the product of a 25 year multimillion dollar effort to identify the most prevalent human strengths The program introduces 34 dominant themes with thousands of possible combinations and reveals how they can best be translated into personal and career success In developing this program Gallup has conducted psychological profiles with more than two million individuals to help readers learn how to focus and perfect these themes So how does it work This book contains a unique identification number that allows you access to the StrengthsFinder Profile on the Internet This Web based interview analyzes your instinctive reactions and immediately presents you with your five most powerful signature themes Once you know which of the 34 themes such as Achiever Activator Empathy Futuristic or Strategic you lead with the book will show you how to leverage them for powerful results at three levels for your own development for your success as a manager and for the success of your organization With accessible and profound insights on how to turn talents into strengths and with the immediate on line feedback of StrengthsFinder at its core *Now Discover Your Strengths* is one of the most groundbreaking and useful business books ever written Please note that the code for the Online Strengths Finder Test is found on the inside of the dust jacket or in the sealed sleeve bound into the book just before the end paper *StrengthsFinder 2.0* Tom

Rath, 2007-02 A new upgraded edition of the online test from Gallup's *Now discover your strengths* Jacket **Now, Discover Your Strengths** Marcus Buckingham, 2020 The 20th anniversary edition of *Now Discover Your Strengths* comes with an access code to the Clifton StrengthsFinder 2.0 assessment This updated assessment includes reports and resources that go far beyond the standardized reports of the older assessment by providing you with personalized insight statements unique to your specific combination of strengths Many of us have little sense of our talents and strengths much less the ability to build our lives around them Instead we're raised and taught to become experts in our weaknesses and spend our lives trying to fix them while our strengths lie dormant **Summary of Now, Discover Your Strengths by Marcus**

Buckingham and Donald O. Clifton QuickRead, Lea Schullery, Learn how to Develop Your Talents and Those of the People You Manage As you've navigated through life you've probably identified your weaknesses You know all about your flaws shortcomings and what areas you need to improve upon Perhaps you know that math is not your strong suit or that any sport

involving a ball is simply not where you thrive Companies and organizations even make sure that we know all about our weaknesses They send employees to various trainings so they can develop the necessary skills to do their job better But what if we've been doing it all wrong According to Marcus Buckingham we have We shouldn't be focusing on our weaknesses it's our strengths that we should be growing and developing In *Now Discover Your Strengths* you'll learn how to identify your strengths and use them to launch you further in life and your career As you read you'll learn how your brain plays a role in developing your innate talents why playing up your strengths is far more powerful than fixing your weaknesses and whether you're an Achiever Arranger or Input type Do you want more free book summaries like this Download our app for free at <https://www.QuickRead.com> App and get access to hundreds of free book and audiobook summaries **DISCLAIMER** This book summary is meant as a preview and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be If you are the original author of any book on QuickRead and want us to remove it please contact us at hello.quickread.com

SUMMARY - Now, Discover Your Strengths By Marcus ; Donald O. Clifton Buckingham Shortcut Edition,2021-06-18 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will discover how your strengths and those of your employees will revolutionize your business You will also discover that your strengths come from your talent that your weaknesses don't matter as long as you manage to contain them how to adjust your managerial techniques to each of your employees to be more efficient that someone who uses their talents is more effective than someone who relies on learning how to rethink your company to make talent its driving force Many companies spend fortunes on training to compensate for their employees weaknesses But they are turning the problem upside down by simply trying to limit the damage Instead you need to recognize the unique and enduring talents that make up your team and realize that an individual can only grow personally and professionally by focusing on his or her strengths By integrating these two principles you take the decision to create a more stable more enjoyable and more successful business model But of course all of this requires you to review your methods Are you ready to revolutionize your company's managerial techniques to increase your performance Buy now the summary of this book for the modest price of a cup of coffee
