Now Is Your Time:

Awaken, Now Is Your Time Maryann Suan, 2009-04 There are spiritual events that happen in our lifetime that cause us to pause for a moment in our hurried and busy lives Events that make us take notice and ponder life to wonder to look up to look within and sometimes to brush off Each time the events happen you begin to realize that perhaps they require a more in depth attention So your journey becomes to seek internally Seek for the answers to your questions This book is a collection of inspirational writings poetry and the personal writings of discovery that detail my awakening to the spirit filled world and how I took action with the supernatural knowledge lovingly given to me that has made a difference in my life today I have become an active seeker As I continue to follow the illumination this journey has become one of the most beautiful flowerings in my life MaryAnn Suan is an award winning published poet She received the prestigious Editor s Choice Award for her poem Awaken Sweet Bud to Blossom This poem demonstrates her artistic accomplishments and unique perspective And with this first book she has become an inspirational writer She lives in Elk Grove Ca She is happily married and has four beautiful daughters two cats and two bunnies She has a love and wonder for nature and for the beauties of flowers Her favorite spiritual quote is I can do everything through him who gives me strength Philippians 4 13 niv **Your Time Is Now**

Jonathan Evans, 2021-06-08 God has a purpose for you right now You may think you re not ready to make a difference in God s Kingdom or that you re too young for others to take seriously But that s not what God thinks At some point you have to understand your own purpose and significance in the kingdom of God How does God want to use you This book uses the Old Testament leader Joshua as a model for stepping up to God s big calling Before Joshua Moses was the one who had spoken to God performed miracles and challenged Pharaoh But at some point Joshua had to come out to the front So what did he do How did he step up And what steps can you take to seize now for yourself Now is your time If you will be steadfast and unmovable and always abound in what God is calling you to do you ll see that it will not be in vain He has a plan a destiny for your life Now means not later Now means don t wait God wants to do great things **Your Time Is Done Now** Polly

Pattullo, 2015-10-22 Maroons self organized communities of runaway slaves existed wherever slavery was present One of the most vital and persistent maroon communities was tucked away in the mountainous rainforests on the Caribbean island of Dominica at the time a British colony This state within a state as the colonial authorities tellingly described it posed a direct challenge to the slavery system and before long the Dominican Maroons rose up to challenge the British Empire Ultimately they were captured and put on trial Here for the first time are primary documents carefully edited and contextualized that richly present the voices and experiences of the Maroons in resistance and defeat Your Time Is Done Now tells the story of the Maroons of Dominica through the transcripts of trials held in 1813 and 1814 at the end of the Second Maroon War Using the trial evidence to explain how the Maroons waged war against slave society the book reveals fascinating details about how they survived in the forests defended themselves against attack and maintained support from enslaved allies on the

plantations It also examines the key role of the British governor George Ainslie a notoriously cruel ruler who succeeded in suppressing the Maroons and how the Colonial Office in London reacted to his punitive conduct This book provides a moving and valuable addition to the growing literature on slavery and slave resistance in the Americas Publisher s description

D., 2004 Thinking about what to do now that you have more time for yourself Your children have headed off to school full time or will be leaving the nest soon and now you are considering returning to the workforce or finding a more fulfilling career This is the perfect time for you to reframe your self perceptions and to open your eyes to possibilities you might not have noticed before Now that you have the time for more fulfilling work you may want help deciding what kind of work to do It s Your Time Now What Will You Do With It is a workbook designed specifically for mothers who are in transition Through the use of values exploration as well as interest ability and skill assessments this 8 week program will help you discover the life path that will make you happiest It s Your Time Now takes a holistic approach to career change it asks you to take inventory of your core values and existing internal and external resources then asks you to expand upon these to chart a path to the most satisfying career for you
