Example 1: Position: Deputy Head and Key Stage 2 Leader

In my role as Deputy Head and Key Stage 2 Leader at Riverdale Primary School, I have had the privilege of taking on a leadership role that encompasses both whole-school responsibilities and a specific focus on Key Stage 2. This dual role has enabled me to develop a holistic approach to school leadership while maintaining a keen focus on the crucial transitional years for our students.

One significant achievement in my role as Deputy Head was the implementation of a school-wide behaviour management system. Recognising the importance of fostering a positive and orderly school environment, I led a comprehensive review of our behaviour policy, involving consultations with staff, parents, and students. The result was a tailored behaviour management plan that improved student conduct and engagement across all key stages. Over the course of a single academic year, behavioural incidents decreased by 25%, leading to a more conducive learning environment for all students.

As the Key Stage 2 Leader, I recognised the need to enhance our students' academic performance as they transitioned into upper primary years. I introduced a targeted intervention programme for students who needed additional support in English and Mathematics. By closely monitoring the progress of these students and adjusting our teaching strategies accordingly, we achieved a remarkable 15% increase in Key Stage 2 SATs results in just one year. This improvement not only reflected my dedication to academic excellence but also demonstrated my ability to lead a team effectively and engage students in their learning journey.
