

Car Buyers Tips and Checklist

Shopping for a used car can be time-consuming and, at times, unnerving.

When buying a used car, especially from a private sale, you need to take your rose-coloured glasses off and get a little street-wise. Get to know what you're buying through NRMA Motoring advice (13 11 22), NRMA car reviews and organising an NRMA vehicle inspection.

The price you should be paying for a used car can be confusing. Do your research so you have the confidence to assess whether the car you're shopping for is a bargain or not. Check out the free NRMA Glasses app for trusted price comparisons.

The implications of not getting a full background check before you buy privately could leave you feeling ripped off and heart-broken. Consider purchasing a CarHistory report. For a relatively small fee you can check the odometer reading, prior insurance claims, finance owing, written-off status and much more. As a More4Members partner, NRMA Members enjoy discounts of up to 40%. More information available online.
