Nsfas Funding At Central Johannesburg College:

The Journey Kgaogelo Precious Rasweswe, 2023-10-17 Life can be troublesome at some point but in the midst of troubles and inexperience we get knocked down and pricked by its thorns However no matter what life brings to our plates each day it is not to drown us but to sharpen our minds and create stories upon which one day we shall tell to inspire chastise and correct This is a novella about a young lady who forgot her dreams when she got to the university and fell into the snares of love and lust She lived her life without ease and kissed some abhorrent lips in the name of love She had to lick self inflicted wounds as she kept the hope that one day the sun shall rise After all she sojourned through the throngs of troubles regardless of her heart being stabbed by so many blunted and sharp knives yet bleeding without losing hope As we speak she might be counting her blessings who knows

Fees Must Fall Susan Booyesen, 2016-10-01 This book explores the student discontent a year after the start of the 2015 South African FeesMustFall revolt FeesMustFall the student revolt that began in October 2015 was an uprising against lack of access to and financial exclusion from higher education in South Africa More broadly it radically questioned the socio political dispensation resulting from the 1994 social pact between big business the ruling elite and the liberation movement The 2015 revolt links to national and international youth struggles of the recent past and is informed by black consciousness politics and social movements of the international left Yet its objectives are more complex than those of earlier struggles The student movement has challenged the hierarchical top down leadership system of university management and it s double speak of professing to act in workers and students interests yet entrenching a regressive system for control and governance University managements while on one level amenable to change have also co opted students into their ranks to create co responsibility for the highly bureaucratised university financial aid that stands in the way of their social revolution This book maps the contours of student discontent a year after the start of the FeesMustFall revolt Student voices dissect colonialism improper compromises by the founders of democratic South Africa feminism worker rights and meaningful education In depth assessments by prominent scholars reflect on the complexities of student activism its impact on national and university governance and offer provocative analyses of the power of the revolt
