D. REASONS FOR APPEAL (please tick the relevant box and attach a motivation letter)

- ☐ **I am exceeding my permitted number of years of study**
NSFAS enforces the 14-2 rule. This means that students have an additional two years to complete their degree and studies to fund a student for longer than this period. Should there be a reason for you exceeding the 14-2 rule, and this reason is substantive in nature, such as a death of an immediate family member or hospitalisation, please provide relevant, verified supporting documents to this effect.
- ☐ **Request to change programme of study**
Ready note that NSFAS will only fund approved courses and the 14-2 rule still applies as indicated above.
- ☐ **I completed a GAP year due to academic performance**
If you did a gap year due to meeting academic performance, but now meet the academic criteria, please attach your full academic record with a declaration and recommendations for NSFAS funding.
- ☐ **Loss of Sundry Sponsor**
If you were sponsored for your studies by another entity or person in the past, but subsequently lost this sponsorship, please provide proof of the loss of sponsorship or official letterheads. A NSFAS application form, together with all required supporting documentation, needs to be completed and submitted with this form.
- ☐ **Incorrect academic results submitted resulting in non-renewal of funding**
If you believe your funding has not been renewed due to erroneous academic results submitted by the institution to NSFAS, please attach an official academic results transcript.
- ☐ **Failure to meet academic performance requirements**
NSFAS is aware that there are many circumstances that may lead to students not being able to meet academic performance requirements. These may include, but not be limited to, medical conditions, death of an immediate family member, etc. Please submit substantiated documents to provide proof of these circumstances.
- ☐ **Other**
If there are any other reasons you believe that that your application meets the NSFAS requirements for funding that has not been considered above, please provide explicit these circumstances and provide relevant supporting documentation.

PLEASE NOTE: As a general rule, affidavits are not regarded as sufficient documentation. Where copies of documents are provided, these should be certified.
