Johnson, 2008 The objectives of corrective justice are affordable housing with reliable running water and electricity employment for parents and guardians to make a living wage top notch tutors for all children who need them equity in school buildings personnel and resources adequate medical and dental care for all students and violence free communities and home lives These objectives are appropriate in a nation where children recite the words with liberty and justice for all at the start of each school day The authors argue that until corrective justice has been established high stakes testing in public schools must be discontinued BOOK JACKET *2nd Grade Vocabulary Puzzles* Sylvan Learning, 2009-07-21 Receive a bonus 10 discount coupon off your child s Skills Assessment at a Sylvan Learning Center with the purchase of Second Grade Vocabulary Puzzles Sylvan s Second Grade Vocabulary Puzzles will help your child practice and expand his or
