Neoclassicism and Romanticism Achim Bednorz,2010 art forms treatments subjects      **Neo Classicism and Romanticism, 1750-1848** Rolf Toman,2000      **A Companion to Greek Architecture** Margaret M. Miles,2020-05-05 A Companion to Greek Architecture provides an expansive overview of the topic including design engineering and construction as well as theory reception and lasting impact Covers both sacred and secular structures and complexes with particular attention to architectural decoration such as sculpture interior design floor mosaics and wall painting Makes use of new research from computer driven technologies the study of inscriptions and archaeological evidence and recently excavated buildings Brings together original scholarship from an esteemed group of archaeologists and art historians Presents the most up to date English language coverage of Greek architecture in several decades while also sketching out important areas and structures in need of further research      Nineteenth-Century Art Laurie Schneider Adams,2014-10-02 Munch s The Scream Van Gogh s Starry Night Rodin s The Thinker Monet s water lilies Constable s landscapes The nineteenth century gave us a wealth of artistic riches so memorable in their genius that we can picture many of them at an instant However at the time their avant garde nature was the cause of much controversy Professor Laurie Schneider Adams brings vividly to life the paintings sculpture photography and architecture of the period vividly with her infectious enthusiasm for art and detailed explorations of individual works Offering fascinating biographical details and the relevant social political and cultural context Adams provides the reader with an understanding of both how revolutionary the works were at the time and of their enduring appeal      The Enlightenment in America, 1720-1825 Vol 1 Jose R Torre,2024-10-28 Aims to modify the periodization for the American Enlightenment Americans did accept an early and moderate Enlightenment characterised by the work of Locke and Newton This collection highlights the functional nature of the Enlightenment in America      The Political Economy of Sentiment Jose R Torre,2015-09-30 Situates changes in the nature of money and the rise of sophisticated financial structures at the centre of the Enlightenment This work argues that paper credit instruments were causal critical to the larger epistemological and psychological changes associated with the Enlightenment s reconstruction of value      19th-century Art Robert Rosenblum,Horst Woldemar Janson,2005 Originally published twenty years ago Nineteenth Century Art Second Edition remains true to the original with its superior survey of Western painting and sculpture presented in four historical parts beginning in 1776 and ending with the dawn of the new century This book draws on the historical documentation of the period tracing the dynamics of the making and viewing of art and examining the reciprocal influences of art and technology art and politics art and literature art and music For nineteenth century art enthusiasts      Beauty and the Gods Hugo Shakeshaft,2025-03-25 How ideas and experiences of beauty informed human relationships with the divine in ancient Greece Beginning with the earliest Greek literature the epics of Homer and Hesiod beauty was seen as having a special connection with the divine The gods of ancient Greece were defined by their exceptional

beauty even today to look like a Greek god is proverbial for human beauty In *Beauty and the Gods* Hugo Shakeshaft explores the relationship between the beautiful and divine in ancient Greece principally in the Archaic period ca 750-480 BCE Analysing evidence that ranges from poetry art and philosophical texts to architecture and the natural landscape Shakeshaft shows how ideas and experiences of beauty shaped Greek relations with the divine With a powerful call for the place of beauty and aesthetics in the writing of history Shakeshaft uncovers the cultural dialogue between beauty and the gods in a variety of contexts in the Archaic Greek world in forms of divine worship in poetry music and dance in attitudes to the natural environment and in architecture and art This early chapter of Greek history he argues holds an unrecognised key to understanding some long running threads in the histories of religion art and aesthetics from Plato's aesthetic theories to beauty's status in contemporary discourse Beauty's deep past and divine connection in ancient Greece can help us see beauty now in sharper focus

[Historical Dictionary of Romantic Art and Architecture](#) Allison Lee Palmer, 2019-07-26 Romanticism is multifaceted and a wide range of nostalgic emotional and exotic concerns were expressed in such styles and movements as the Gothic Revival Classical Revival Orientalism and the Pre-Raphaelite Brotherhood Some movements were regional and subject specific such as the Hudson River School of landscape painting in the United States and the German Nazarene movement which focused primarily on religious art in Rome The movements range across Western Europe and include the United States This dictionary will provide a fuller historical context for Romanticism and enable the reader to identify major trends and explore artists of the period This second edition of *Historical Dictionary of Romantic Art and Architecture* contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross-referenced entries on major artists of the romantic era as well as entries on related art movements styles aesthetic philosophies and philosophers This book is an excellent resource for students researchers and anyone wanting to know more about Romantic art
