Multikulturalismus Und Political Correctness in Den USA Mathias Hildebrandt, 2005-11-25 Die Debatte um Multikulturalismus und Political Correctness dominierte in den 90er Jahren die öffentliche Auseinandersetzung in den USA und prägt die amerikanische politische Kultur nachhaltig Ihre Erschütterungen reichten bis Europa und Deutschland Mathias Hildebrandt berücksichtigt nicht nur die historische Tiefendimension dieser US amerikanischen Selbstverständnisdebatte anhand der Rekonstruktion der zentralen Kampfbegriffe sondern arbeitet auch die wesentlichen philosophischen und theoretischen Konzepte des postmodernen Multikulturalismus und dessen politische Ordnungskonzeption für die USA heraus Neben diesen Dimensionen verfolgt der Autor die Debatte in die umstrittenen Policy Felder wie Schul und akademische Bildungspolitik Auseinandersetzung sowie Meinungsfreiheit und Sexual Harassment ebenso wie Affirmative Action Politik und analysiert deren strukturelle und verfassungsrechtliche Aspekte

Mongrel Nation Clarence E. Walker, 2009-01-01 The debate over the affair between Thomas Jefferson and Sally Hemings rarely rises above the question of Did they or didn't they But lost in the argument over the existence of such a relationship are equally urgent questions about a history that is more complex both sexually and culturally than most of us realize Mongrel Nation seeks to uncover this complexity as well as the reasons it is so often obscured Clarence Walker contends that the relationship between Jefferson and Hemings must be seen not in isolation but in the broader context of interracial affairs within the plantation complex Viewed from this perspective the relationship was not unusual or aberrant but was fairly typical For many this is a disturbing realization because it forces us to abandon the idea of American exceptionalism and re-examine slavery in America as part of a long global history of slaveholders frequently crossing the color line More than many other societies and

despite our obvious mixed race population our nation has displayed particular reluctance to acknowledge this dynamic In a country where as early as 1662 interracial sex was already punishable by law an understanding of the Hemings Jefferson relationship has consistently met with resistance From Jefferson s time to our own the general public denied or remained oblivious to the possibility of the affair Historians too dismissed the idea even when confronted with compelling arguments by fellow scholars It took the DNA findings of 1998 to persuade many although to this day doubters remain The refusal to admit the likelihood of this union between master and slave stems of course from Jefferson s symbolic significance as a Founding Father The president s apologists both before and after the DNA findings have constructed an iconic Jefferson that tells us more about their own beliefs and the often alarming demands of those beliefs than it does about the interaction between slave owners and slaves Much more than a search for the facts about two individuals the debate over Jefferson and Hemings is emblematic of tensions in our society between competing conceptions of race and of our nation
