

The background of the cover features two stylized human figures. On the left is a green figure, and on the right is a teal figure. Both figures have a circular head and a rectangular body with a small protrusion at the top, resembling a simplified 'H' shape. They are positioned behind a large, white, horizontally-oriented oval that contains the title text. The oval has a thin orange border.

Reconsidering Gender Evangelical Perspectives:

Reconsidering Gender Myk Habets, Beulah Wood, 2011-01-01 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

Reconsidering Gender Myk Habets, Beulah Wood, 2011-01-01 Questions related to the issue of gender remain insufficiently acknowledged and explored in contemporary theological literature These issues form the basis of significant unresolved tensions among evangelicals as evidenced in debates over the nature of the Trinity Bible translation church practice choice of language mission leadership decision making in homes and parenting to name but a few examples The essays in this volume are not meant to provide a monolithic evangelical theology of gender but rather to provide evangelical perspectives surrounding the topic of gender To further this aim each of the main essays is followed by a formal response with an attempt at a concise and lucid perspective on the essay and pointers to further areas for investigation Some contributors are complementarian while others are egalitarian although who is what is left to the discerning reader Regardless of one s position on the issue all will benefit from the contributors commitment to the further exploration of gender issues from the perspective of a broadly conceived evangelicalism

Beyond the Evangelical Gender Roles Gridlock Paul J. Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchy

Beyond the Evangelical Gender Roles Gridlock Reimagining Paul s Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society

What Happened in the Garden Abner Chou, 2016 Evangelicals are no strangers to the creation versus evolution debate Now the argument has spread beyond the contents of the creation account and into Genesis 2-3 with speculation about the historicity of Adam and the fall But does it matter which position one holds Is

anything really at stake The faculty of The Master s College come together to contend that the second and third chapters of Genesis are indeed historical that there are excellent reasons for believing so and that it is an essential issue within Christian thought and life The contents of these chapters establish the history of how everything in the world came to be what it is today This Scripture passage Genesis 3 especially explains what we observe in the legal system literature gender roles education psychology and science Far from irrelevant the theology and historicity of Genesis are in fact critical to our everyday lives What Happened in the Garden includes new scientific literary business educational and legal perspectives on creation Through this multidisciplinary look at the debate the contributors prove that to change our understanding of the fall is to change the way we understand reality to revise the Christian worldview and to reshape the faith itself **Perhaps there is Hope'** Miriam J. Bier,2015-04-23 Bier proposes here a strong new understanding of the Book of Lamentations drawing on Bakhtinian ideas of multiple voices to analyse the poetic speaking voices within the text examining their theological perspectives and nuancing the interaction between them Bier scrutinises interpretations of Lamentations distinguishing between exegesis that reads Lamentations as a theodicy in defense of God and those that read it as an anti theodicy in defense of Zion Rather than reductively adopting either of these approaches this book advocates a dialogic approach to Lamentations reading to hear the full polyphony of pain penitence and protest The Tree of Life Douglas Estes,2020-03-17 The tree of life is an iconic visual symbol at the edge of religious thought over the last several millennia As a show of its significance the tree bookends the Christian canon yet scholarship has paid it minimal attention in the modern era In The Tree of Life a team of scholars explore the origin development meaning reception and theology of this consequential yet obscure symbol The fourteen essays trek from the origins of the tree in the texts and material culture of the ancient Near East to its notable roles in biblical literature to its expansion by early church fathers and Gnostics to its rebirth in medieval art and culture and to its place in modern theological thought Leisure and Spirituality (Engaging Culture) Paul Heintzman,2015-03-10 This addition to the award winning Engaging Culture series explores the link between leisure and spirituality offering a Christian perspective on leisure concepts and issues in contemporary society Paul Heintzman a respected scholar and experienced recreation practitioner interacts with biblical historical and contemporary leisure studies sources to provide a comprehensive understanding of leisure He also explains the importance of leisure for spiritual growth and development This work will appeal to professors and students as well as practitioners in the recreation and leisure services field youth and college pastors and camp ministries Awakening Desire Irene Alexander,2018-04-19 The hope of this book is that it awakens desire to know more intimately the God who breaks through our compartmentalization and naming While most in the West have heard God s name as almost exclusively masculine a child growing up in Israel would have experienced the Spirit of God and Lady Wisdom as female This ruach the breath of God brooded over the face of the deep in the creation story like a hovering mother bird The God of the Bible and the early church

has been described with both masculine and feminine imagery referred to by the church fathers and mystics as both Mother and Father In our time we have lost much of this rich feminine imagery This book explores not only this historical knowing of God but also more contemporary writers such as Carl Jung Paul Young The Shack George MacDonald and Thomas Merton Each of these men engaged with the Divine Feminine giving us examples of how we too may find God more deeply and more intimately

Practicing the Presence of Jesus Irene Alexander,2011-02-09 Many Christians long to know God more deeply but find themselves limited by old understandings and ways of knowing Practicing the presence of Jesus rediscovers the centuries of Ignatian tradition of placing oneself into the gospel story to experience the presence of Jesus in a vital and real way Each chapter explores another angle to come to the stories while remaining true to Scripture Readers will be led through a process of entering the stories themselves so that they connect to Jesus human and divine in the present reality of their daily lives

Becoming Aotearoa Michael Belgrave,2024-10-10 In the first major national history of Aotearoa New Zealand to be published for 20 years Professor Michael Belgrave advances the notion that New Zealand's two peoples tangata whenua and subsequent migrants have together built an open liberal society based on a series of social contracts Frayed though they may sometimes be these contracts have created a country that is distinct This engaging new look at our history examines how

A Glimpse of the Kingdom in Academia Irene Alexander,2013-02-11 University is a major way that our society prepares professionals and leaders in education health government business arts church all components of our communal lives Although the beginnings of the first universities were Christian academia has become more and more adrift from these foundations We have lost not only the union the interwovenness of theological and academic understandings but also the relational and communal process of learning which teaches students to be other centered in their practice A Glimpse of the Kingdom in Academia tells the story of the social sciences department of a small Christian university that took seriously the mandate to prepare their students to be salt and light in a secular society Here are stories of the transformation in students lives as well as description of classroom practices and the epistemological theory behind those practices The book explores academic knowing Christian worldview relational epistemology inner knowing and wisdom all ways of knowing that a Christian university should teach The process of transformation the context of community and the bigger picture of life's journey and changing images of God are identified as important aspects of kingdom life in academia The institutional setting is also critiqued with the recognition that power practices need to align with the kingdom of the Christ who emptied himself

Taking Rational Trouble Over the Mysteries Nicola Hoggard Creegan, Andrew Shepherd, 2013-07-29 How can one believe in an age of doubt How can we name the mystery of God in human words Does nature speak of the glory of God Does science undermine faith Is the problem of evil unanswerable In this volume scientists theologians philosophers as well as a historian and social scientist take seriously the challenge of knowing and speaking about God in an age of doubt and challenge All New Zealand writers the authors reflect a variety of styles inputs and assumptions from down under Some look to answer new atheists directly others point out links between belief and unbelief in any age There are essays that show us new ways of reading old texts Scientists reflect on nature its signs and its obscurity We are confronted also with the mixed picture of belief and unbelief that the last few hundred years reveals to us Most of these essays have come out of seminars and conferences put on by TANSA Theology and the Natural Sciences in Aotearoa a forum for discussion and interpretation amongst scientists and theologians in New Zealand Tamar's Tears Andrew Sloane, 2011-11-14 Evangelical and feminist approaches to Old Testament interpretation often seem to be at odds with each other The authors of this volume argue to the contrary feminist and evangelical interpreters of the Old Testament can enter into a constructive dialogue that will be fruitful to both parties They seek to illustrate this with reference to a number of texts and issues relevant to feminist Old Testament interpretation from an explicitly evangelical point of view In so doing they raise issues that need to be addressed by both evangelical and feminist interpreters of the Old Testament and present an invitation to faithful and fruitful reading of these portions of Scripture *Introduction to Biblical Interpretation* William W. Women and Worship at Corinth Lucy Peppiatt, 2017-04-27 Paul's arguments in 1 Corinthians 11:14 from the role of women in public worship to the value of speaking in tongues and prophecy for the unbeliever have long posed challenges to the lay reader and scholar Despite numerous explanations offered over the years these passages remain marked by inconsistencies contradictions and puzzles Lucy Peppiatt offers an interpretation in which she proposes that Paul was in conversation with the Corinthian male leadership concerning their domineering superior and selfish practices which included coercing women to wear head coverings lording it over the have-nots at the Lord's Supper and ordering married women to keep quiet in church Peppiatt's bold arguments not only bring internal coherence to the text but also paint a picture of the apostle gripped by a vision for a new humanity in the Lord resulting in his refusal to compromise with the traditional views of his own society Instead Paul tells the Corinthians to become more like Christ to make love their aim and to restore dignity and honour to women outsiders and the poor
