Anglo Latin riddles Bitterli argues that there is a vigorous common tradition between Anglo Latin and Old English riddles and details how the contents of the Exeter Book emulate and reassess their Latin predecessors while also expanding their literary and formal conventions The book also considers the ways in which convention and content relate to writing in a vernacular language A rich and illuminating work that is as intriguing as the riddles themselves Say What I Am Called is a rewarding study of some of the most interesting works from the Anglo Saxon period The Broadview Anthology of British Literature Volume 1: The Medieval Period – Revised Third Edition Joseph Black,Leonard Conolly,Kate Flint,Isobel Grundy,Don LePan,Roy Liuzza,Jerome J.
