It was a very different path than most of his family had taken. He was one of the few family members that were not military or law enforcement. But his hard work had given him a restaurant that was beginning to take off when a woman's scream in the alley outside his kitchen changed everything. Kate Ellington had scratched, clawed and outright fought for where she was in life. She was the first female passing game coordinator in professional football. Some people thought that made her the team's weak link and a perfect target for exploitation. But Kate refused to cheat even if it put her life in danger. When Landon saved Kate in the alley it didn't just earn him a kiss. It earned him a target on his back. Now Landon isn't just taking on restaurant critics but the people looking to manipulate the sports betting world. As Landon and Kate take on these threats they find their reputations, their lives and their hearts are on the line. *Forever Ventured* Kathleen Brooks, 2019-08-20. He has one chance to save the farm and that chance lies with horse trainer Camila Callahan. Camila was raised by the United Kingdom's greatest horse trainer and he taught her everything he knew. But everyone always saw her as the cute girl in pigtails riding on her dad's shoulders instead of the great trainer she could be if given the chance. And then she saw an ad about an opportunity in the United States. Camila leaves everything behind to go all in with Wyatt Davies only to discover Wyatt has a horse with huge potential. And with that potential comes a lot of danger. Wyatt and Camila are in a race to uncover the threat as both of their careers and lives are at stake.
