

A photograph of a forest with two diverging dirt paths. The paths are made of light-colored soil and gravel, winding through a dense forest of tall, thin trees with green foliage. The lighting is soft, suggesting a dappled sunlight effect. The paths lead into the distance, one curving to the left and the other to the right.

**“Two roads diverged in a wood,
and I - I took the one less traveled by,
and that has made all the difference.”**
