Each project is delivered through a series of workshops and enables pupils to explore a literary genre or writing style, discuss themes and topics, and receive constructive feedback about their writing. The projects cover topics such as identity, cultural heritage, tolerance, empathy, morality, dreams, and much more. Teachers wanting to run creative writing projects will find this book easy to follow, practical, and time-saving. Each project allows students to explore a certain literary genre or writing style in detail, be creative, and have fun while learning to think about, talk about, and discuss themes and topics, receive constructive feedback about their writing, pursue their own ideas, see themselves as real writers with a real audience, understand that writing can be enjoyable, artistic, and relaxing, experience creativity to improve their wellbeing. These ready-made projects are invaluable for teachers who are looking for new and successful creative writing projects for a range of students.
