Summary of Caroline Myss's Sacred Contracts Everest Media, 2022-08-19T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I am a teacher and I love it I feel connected to the nursing part of my father's directive because of the healing effects my work has had on many people My education has been in journalism and theology but my work in medical intuition simply happened 2 I began to see images that had no apparent connection to the person I was reading These images were helpful for every person and one day in 1991 everything fell into place for me I was listening to a conversation between two women and they had immediately shared a life pattern that was noticeable in their heightened response to each other 3 I began to work with the archetypes in my readings and I began to see how they functioned within my own psyche I learned that each of us has our own personal alignment of key archetypes 4 The archetypal patterns work

together to support your personal development They can be particularly helpful in healing painful memories or redirecting your life or finding a way to express your untapped creative potential *Caroline Myss' Journal of Inner Dialogue* Caroline M. Myss,2003 In her books and workshops Myss urges her followers to look deep inside themselves by answering self exploration questions This journal offers users the perfect tool with which to keep track of the answers to those questions
