Sacred Fire Ronald Rolheiser, 2014-03-11 When one reaches the highest degree of human maturity one has only one question left How can I be helpful TERESA OF VILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow up to the contemporary classic *The Holy Longing* With his trademark acuity wit and thoughtfulness Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity In this new book Rolheiser takes us on a journey through the dark night of the senses and of the spirit Here we experience the full gamut of human life pleasure and fervor disillusionment and boredom But as Rolheiser explains when we embrace the struggle and yearning to know God we can experience too a profound re understanding to our daily lives What lies beyond the essentials the basics Rolheiser writes Where do we go once some of the basic questions in our lives have been answered or at least brought to enough peace that our focus can shift away from ourselves to others Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness Who am I Who loves me How will my life turn out Where do we go once the basic question in life becomes How can I give my life away more purely and more meaningfully How do I live beyond my own heartaches headaches and obsessions so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In *Sacred Fire* Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God

so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In Sacred Fire Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God **Teilhard's Proposition for Peace** Jean Maalouf,2018-11-15 Teilhard de Chardin called the greatest prophet of this age intended to write a book called The Book of Peace though he failed to do so Instead he went on sowing the seeds of peace throughout his writings This book distills and presents the essence of the case Teilhard made for the cause of peace There is no doubt that Teilhard s readers have noticed how difficult his thought can be and how puzzling it appears at times This volume navigates the complexity of those labyrinthine roads inviting the reader to confidently see the basic unity which underlies all that is When we recognize that we live in the Divine Milieu where we witness the transforming presence of the divine in human consciousness we will existentially realize the truth of the principle by which Teilhard wanted us to live Spiritual Direction Malloy, SJ, Richard G.,2017-10-12 An essential lively and comprehensive guide to spiritual direction how it works how to get it how it is life changing for those who are interested in growing spiritually and for their spiritual directors **Living Wisely and Well in the Evening of Life** Duncan S.
