

## PURPOSE

This safety manual is an easy-to-use guide for important safety information and provides *FIRST* Robotics Competition participants with a basic set of requirements to maintain a safe environment during the build season and at competition events.

## SCOPE

This manual applies to anyone involved with the *FIRST* Robotics Competition including all student team members, Mentors, and support volunteers.

## PARTICIPANT RESPONSIBILITIES

Everyone is responsible for safety during team meetings and the design, build, travel, and event phases of the competition. Please read this entire manual for details on how to be safe. Below are the expectations for *FIRST* Robotics Competition participants.

### All Participants

- Be familiar with this manual, as well as understand and follow established safety requirements applicable to your work area.
- Be familiar with any site restrictions listed in the "Site Info" listed on event entry on the [FIRST Robotics Competition Team and Event Search](#) page regarding competition site location(s).
- Work in a safe and responsible manner.
- Use personal protective equipment (PPE), safeguards, and other safety equipment as required.
- Identify and report any unsafe or hazardous conditions to the student Safety Captain, Mentor, and/or Safety Advisor. This includes work practices that may cause an accident. Encourage safe behaviors in everyone around you.
