

I think I have what it takes to be a safety. I would like a position as a safety patrol because I am responsible girl. I am responsible when I take care of my six year old sister. Also, I love kids and like taking care of them and making sure they get home safely. Do you want the kids to be as happy as clowns and arrive safely to the right places? You should pick me as a safety patrol. As you can see I should be a safety patrol.

I really, really want to be a safety. The reason why I want to be one is because I am interested in the job and I deserve it. I am kind, helpful and very trustworthy. You can trust me to take these children to the place that they belong. I will make sure they don't get hurt and if they do, will take care of them immediately. As you can see I would LOVE to be a safety!
