

## Section 1: Staffing & Service Model Logistics

This section of your manual lays out how you want to staff the restaurant and the logistics of your particular service model. It's important to think about this early on, as it will influence how you can best train your staff and how you can best manage the day-to-day operations of the restaurant.

Consider the following questions:

### Staff

- How many staff members do you need?
- How many staff members do you need per shift?
- Which positions do you need?
- What are the responsibilities of each position?
- How do you manage staff?
