Nmmu Student Guide For 25:

Engaging University Students Hamish Coates,Alexander C. McCormick,2014-04-18 This book provides university teachers leaders and policymakers with evidence on how researchers in several countries are monitoring and improving student engagement the extent to which students are exposed to and participate in effective educational practices It captures insights from international implementations of the National Survey of Student Engagement NSSE developed in the United States In the last half decade NSSE has been adapted and used in several other countries producing the largest international collaboration yet involving educationally relevant data on students engagement in higher education Leaders of established national collaborations draw on their experiences with hundreds of institutions to contribute their insights Framed by their cultural and educational contexts they discuss issues concerning first year learners international students part time and distance learners as well as teaching and leadership in support of student learning Each chapter outlines strategies based on national case studies and presents perspectives supported by concrete examples of how these have played out in diverse settings The book suggests mechanisms that can be used by institutions ministries and quality agencies around the world

Connecting Learning Across the Institution Pamela L. Eddy,2014-03-25 Most research on learning tends to occur in silos based on stakeholder perspective This volume seeks to break down these silos and draw together scholars who research learning from different perspectives to highlight commonalities in learning for students faculty and institutions When we understand how learning is experienced across the institution we can develop strategies that help support enhance and reinforce learning for all Exploring what it means to bridge learning across the institution this volume provides a roadmap to improve learning for all Both scholarly and practical it advances the knowledge about the ways we investigate and study learning across and for various groups of learners It also Collects thinking about learning in its various formats in one location Provides a platform for synthesis Outlines key questions for thinking more deeply about learning on campus Instead of thinking of learning as discrete depending on the stakeholder group this volume highlights the commonalities across all types of learners

Nematology in South Africa: A View from the 21st Century Hendrika Fourie,Vaughan W. Spaull,Robin K. Jones,Mieke S. Daneel,Dirk De Waele,2017-02-28 This unique book contains not only a comprehensive up to date summary of the achievements made in all areas of Nematology in South Africa over more than half a century but it also combines this rather technical part with an insiders narrative of how Nematology started and developed It also demonstrates how the South African community of nematologists gradually adapted to major changes in agriculture These were due to a major political shift followed by socio economic changes and this in an often challenging natural environment At the same time this book is conceived as a useful source for young scientists to provide them with practical knowledge and critical insight in the field of Nematology The information given is based primarily on research conducted by nematologists in South Africa Most of this research was aimed at finding workable solutions for nematological problems confronted by both large

scale commercial producers and smallholding farmers During a period when funding for scientific research is becoming increasingly scarce the future demand and quest for practical solutions by applied research will only increase **Advances and New Trends in Environmental and Energy Informatics** Jorge Marx Gomez, Michael Sonnenschein, Ute Vogel, Andreas Winter, Barbara Rapp, Nils Giesen, 2015-12-24 This book presents the latest findings and ongoing research in the field of green information systems and green information and communication technology ICT It provides insights into a whole range of cross cutting topics in ICT and environmental sciences as well as showcases how information and communication technologies allow environmental and energy efficiency issues to be handled effectively The papers presented in this book are a selection of extended and improved contributions to the 28th International Conference on Informatics for Environmental Protection dedicated to ICT for energy efficiency This book is essential and particularly worth reading for those who already gained basic knowledge and want to deepen and extend their expertise in the subjects mentioned above

Biomes and Ecosystems, 2011 *ECMLG 2018 14th European Conference on Management, Leadership and Governance* Dr. Ing. Benny M.E. de Waal, Prof. dr. Pascal Ravesteijn, 2018-10-18 **Australian National Bibliography: 1992** National Library of Australia, 1988 **Strengthening Postgraduate Supervision** Sioux McKenna, Jenny Clarence-Fincham, Chrissie Boughey, Harry Wels, Henk van der Heavel, 2017-03-22 An excellent collection of diverse and deeply reflective perspectives All offer insights into the multiple challenges confronted in improving the quality and depth of postgraduate supervision increasing throughput and dealing with complexity What is also affirmed is the importance of individual capability in supervision that is developed and nurtured over time and through arduous effort The book will be of value to novice supervisors and to more experienced ones Policy makers planners and administrators looking to enlarge their understanding of the postgraduate terrain in all its complexities will find the mix of theoretical and practical lenses through which the topic is approached particularly illuminating Professor Narend Bajinath Chief Executive Officer Council on Higher Education **Where Am I in the Picture?** Claudia Mitchell, Katarina Giritli-Nygren, Relebohile Molestane, 2023-12-18 Positionality and researcher reflexivity how to account for one's subject position remain as challenges for new researchers But they also remain as challenges for experienced researchers who are often involved in multiple research projects simultaneously Where Am I in the Picture sheds light on the idea of researcher positionality through visual methodologies particularly in the context of studying rurality in Canada Sweden and South Africa The book is intended for new and experienced researchers seeking to decolonize their own perspectives in research in the social sciences and humanities It incorporates photographs drawings and memory work to highlight the social constructedness of what counts as rural Drawing together compelling narratives from researchers about their positionality in studying rurality the book highlights a need for greater attention to where we are in the picture more broadly It suggests that when it comes to the rural researchers need to rethink the interplay of dominant images insider and outsider perspectives and what this interplay

means in relation to interpretation Where Am I in the Picture presents a new vision of how to take into consideration positionality in research Chasing Challenges Shawn Gouws,2025-09-01 Chasing Challenges is the autoethnography of the teaching career of Dr Shawn Gouws a distinguished senior lecturer at Nelson Mandela University After enrolment he studied at the PE Technikon in 1990 and completed his DTech in Chemistry in 1999 After a one year postdoctoral fellowship at LEOPR in Grenoble France he joined the Nelson Mandela University Chemistry Research Department Shawn continued to pursue challenges in various technical support projects at InnoVenton In 2012 he became a programme coordinator and was tasked with developing the course content for the Diploma in Chemical Technology Various industry stakeholders contributed to producing graduates with the necessary attributes and skills for employment in the industry environment This book discusses various education philosophies and levels in Education 1 0 to 5 0 and highlights interactions with industry and the language barriers students face and need to overcome to be successful in their studies There is always a new challenge to chase His passion for research is in the area of green hydrogen production To accomplish this task his research will focus on finding alternative catalysts to split water into hydrogen and oxygen using a proton exchange membrane water electrolyser Naturally one objective will be to train graduates to benefit from this emerging industry in South Africa Australian National Bibliography ,1995 *Linguistics and Language Behavior Abstracts* ,2008-02 The Non-traditional Student Guidebook Bowling Green State University. Lindsay,2005-05-26 Knowing how to post bail and get out of jail in fifteen minutes is darn handy for almost everyone For a disoriented 18 year old who s found himself in a pinch it s downright necessary College kids are na ve eager and prone to trouble and whether they re funneling beer or

fighting sweatshop labor they need to know their rights Just logging onto the university computer system for example opens a student to a host of legal questions about whether the school can monitor her email or her surfing habits or her blogs But the amount of practical legal information available to the nation's 15 million college students is extremely limited and most students don't have ready access to lawyers What they need is a handbook that will cover the issues they're likely to confront a guide that is informative easy to read and not embarrassing to have on their shelves With a retro look and a humorous approachable tone THE COLLEGE STUDENT'S GUIDE TO THE LAW provides legal explanations strategies for steering clear of problems and detailed instructions about how to deal with the authorities both educational and municipal when trouble can't be avoided The book is divided into sections for easy access to information The Law in the Classroom offers guidance on academic dishonesty grading grievances and professor student relations The Law On Campus discusses problems outside the classroom but on university turf from privacy rights whether in the dorms on a hard drive or in the Registrar's Office to interactions with campus security The Law Off Campus provides advice on dealing with legal issues that are endemic to university life such as underage drinking policies landlord tenant disputes and credit card use and abuse THE COLLEGE STUDENT'S GUIDE TO THE LAW ranks with the shower caddy the extra long twin sheet set and the mini fridge as an absolutely indispensable item for every college freshman And every returning student who might contest a grade plan a campus protest or sign an apa
