Students will learn to identify and use appropriate language in various contexts. They will learn to use language to express their thoughts and feelings, to give and receive information, and to participate in social interactions. They will also learn to use language to solve problems and to make decisions.

There was considerable variability in study objectives: almost equally split between studies that aimed to assess effects on the target of action and on the outcome. Our analyses apply only to the first set of studies, and cannot therefore address the second set of studies.
