RE: Brittany MacLeod for Chief Funster

Dear Mr. Gray:

I heartily endorse Brittany MacLeod for Chief Funster. She is clearly the best person in the world for this job. I have known Brittany for many years and had the pleasure of working with her on the Franklin School Committee when I was the Chairman and she was the Student Representative. She was a student leader who certainly brought the element of fun to the meetings. She was (and continues to be) a great ambassador for our school system and I am delighted to see that she is now bringing her talent to the world stage.

I have followed her campaign from the beginning and have enjoyed her posts, videos, and tweets. They demonstrate clear commitment and drive, traits that we saw early on in Massachusetts. She would be a true asset and great advocate for your organization. I urge you to bring her to Australia to see in person her energy, enthusiasm, and dedication. We would certainly give her a big send-off from the State House in Massachusetts! Please let me know if I can provide you with any additional information.

Very truly yours,

Jeffrey N. Roy

Reflections Paul L. Salansky, 2010-11 Everyone has a life story to tell My life is divided into two segments The first part deals with my growing up years The second is when I began my ministry Needless to say many things happened in both these periods of my life Many of course are not chronicled in this book I tried to select those that I could remember and those that would be of interest Life is a journey that everyone has Normally one thinks of a journey as a passage or expedition from one place to another by land air or sea Certainly it is that but it is more than a trip or jaunt It s a life filled with activity Some are difficult arduous and stressful some are everyday routines and occurrences which make up a vital part of life situations There are humorous episodes joyful and entertaining as well Many experiences are interrelationships and encounters with people that may be pleasant or distressing All these factors are part and parcel of the journey we call life All told it s a learning experience fraught with joys and sorrows Having God in the midst of it makes it all worthwhile If I were to live it all over again would I change any of it Probably some of it but for the most part I would not alter it much The life I have had I would keep as a treasure a pearl of great price With God as a vital part of it life is something to value and cherish
