Reconsidering Arminius Beyond The Reformed And Wesleyan Divide

Wolfgang Guggemos

Reconsidering Arminius Beyond The Reformed And Wesleyan Divide:

Reconsidering Arminius Keith D. Stanglin, Mark G. Bilby, Mark H. Mann, 2014-12-16 The theology of Dutch theologian Jacob Arminius has been misinterpreted and caricatured in both Reformed and Wesleyan circles By revisiting Arminius's theology the book hopes to be a constructive voice in the discourse between so called Calvinists and Arminians Traditionally Arminius has been treated as a divisive figure in evangelical theology Indeed one might be able to describe classic evangelical theology up into the twentieth century in relation to his work one was either an Arminian and accepted his theology or one was a Calvinist and rejected his theology Although various other movements within evangelicalism have provided additional contour to the movement fundamentalism Pentecostalism etc the Calvinist Arminian divide remains a significant one What this book seeks to correct is the misinterpretation of Arminius as one whose theology provides a stark contrast to the Reformed tradition as a whole Indeed this book will demonstrate instead that Arminius is far more in line with Reformed orthodoxy than popularly believed and show that what emerges as Arminianism in the theology of the Remonstrants and Wesleyan movements was in fact not the theology of Arminius but a development of and sometimes departure from it This book also brings Arminius into conversation with modern theology To this end it includes essays on the relationship between Arminius's theology and open theism and Neo Reformed theology In this way this book fulfills the promise of the title by showing ways in which Arminius's theology once properly understood can serve as a resource of evangelical Wesleyans and Calvinists doing theology together today Editors Keith D Stanglin Mark G Bilby and Mark H Mann Contributors Jeremy Dupertuis Bangs Mark G Bilby Oliver D Crisp W Stephen Gunter John Mark Hicks Mark H Mann Thomas H McCall Richard A Muller Keith D Stanglin E Jerome Van Kuiken *After Arminius* Thomas H. McCall, Keith D. Stanglin, 2021 Inspired by the ideas of the Dutch theologian Jacob Arminius Arminianism was the subject of important theological controversies in the seventeenth and eighteenth centuries and still today remains an important position within Protestant thought What became known as Arminian theology was held by people across a wide swath of geographical and ecclesial positions This theological movement was in part a reaction to the Reformed doctrine of predestination and was founded on the assertion that God's sovereignty and human free will are compatible More broadly it was an attempt to articulate a holistic view of God and salvation that is grounded in Scripture and Christian tradition as well as adequate to the challenges of life First developed in European British and American contexts the movement engaged with a wide range of intellectual challenges While standing together in their common rejection of several key planks of Reformed theology supporters of Arminianism took varying positions on other matters Some were broadly committed to catholic and creedal theology while others were more open to theological revision Some were concerned primarily with practical matters while others were engaged in system building as they sought to articulate and defend an overarching vision of God and the world The story of Arminian development is complex yet essential for a proper understanding of the history of Protestant theology

The historical development of Arminian theology however is not well known In After Arminius Thomas H McCall and Keith D Stanglin offer a thorough historical introduction to Arminian theology providing an account that will be useful to scholars and students of ecclesiastical history and modern Christian thought

Predestination in Early Modern Reformed Theology

Richard A. Muller,2024-04-24 Dr Richard A Muller investigates the complexity and development of predestination in Reformed thought in the sixteenth and seventeenth centuries

Beyond Dordt and De Auxiliis Jordan Ballor,Matthew

Gaetano,David Sytsma,2019-09-02 Beyond Dordt and De Auxiliis explores post Reformation inter confessional theological exchange on soteriological topics including predestination grace and free choice These doctrines remained controversial

within confessional traditions after the Reformation as Dominicans and Jesuits and later Calvinists and Arminians argued about these critical issues in the Augustinian theological heritage Some of those involved in condemning Arminianism at the Synod of Dordt 1618 1619 were inspired by Dominican followers of Thomas Aquinas in Spain who had recently opposed the vigorous defense of free choice by Jesuit Molinists in the Congregatio de auxiliis 1598 1607 This volume appearing on the 400th anniversary of the closing of the Synod of Dordt brings together a group of scholars working in fields that only rarely speak to one another to address these theological debates that cross geographical and confessional boundaries

T&T

Clark Handbook of Election Edwin Chr.van Driel,2023-11-16 Offering not only state of the art introductions from Biblical historical and constructive theologians this volume also fosters an inter disciplinary and cross confessional conversation reclaiming the idea of election as a central notion for any retelling of the biblical narrative Several essays explore the variety of ways in which election is spoken about in the Scripture drawing on research from the last twenty years that offers a more sophisticated framework than the traditionally theological categories of elect and reject The historical part of the volume covers new analyses of Medieval and post Reformation Catholic and Protestant debates on predestination while the book s constructive part contributes to contemporary conversations on the relationship between Trinity Christology and election the development of a post supersessionist understanding of Israel s chosenness as well as voices from contextual struggles in South America Palestine and South Africa

Perfecting Perfection

Robert Webster,2016-07-28 Henry D Rack is one of the most profound historians of the Methodist movement in modern times He has spent a lifetime researching and writing about the rise and significance of John Wesley and his Methodist followers in the eighteenth century and has also uncovered the historical significance of the Methodist Church in the nineteenth and twentieth centuries Collected in Perfecting Perfection are thirteen essays honouring the life and scholarship of Dr Rack from a host of international scholars in the field The topics range from Wesley s view of grace in the eighteenth century to the dynamic intersection of the Methodist and Tractarian movements in the nineteenth century Ultimately the collection of essays offered here in honour of Dr Rack will be engaging and provocative to those considering Methodist Studies in the present and future generations

Evangelical Dictionary

of Theology Daniel J. Treier,Walter A. Elwell,2017-11-07 This bestselling reference tool has been a trusted resource for

more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today s theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer

Reading Christian Theology in the Protestant Tradition Kelly Kapic,Hans Madueme,2018-01-25 Reading Christian Theology in the Protestant Tradition offers a distinctive approach to the value of classic works through the lens of Protestantism While it is anachronistic to speak of Christian theology prior to the Reformation as Protestant it is wholly appropriate to recognize how certain common Protestant concerns can be discerned in the earliest traditions of Christianity The resonances between the ages became both informative and inspiring for Protestants who looked back to pre reformation sources for confirmation challenge and insight Thus this book begins with the first Christian theologians covering nearly 2000 years of theological writing from the Didache Justin Martyr and Origen to James Cone Jos M guez Bonino and Sallie McFague Five major periods of church history are represented in 12 key works each carefully explained and interpreted by an expert in the field

Jacob Arminius Rustin E. Brian,2015-06-25 Jacob Arminius was a Dutch theologian whose views have become the basis of Arminianism and the Dutch Remonstrant movement and are quite influential on Wesleyan and therefore Methodist theology as well Arminius attempted to reform Reformed theology and ended up lending his name to a movement that resisted some of the primary tenets of Calvinism Rustin E Brian outlines the life and theology of Arminius shedding fresh light on his life theology and writings In hopes of better understanding Arminian theology and Arminianism Brian concludes with a constructive comparison and contrast of Arminius and several prominent theological figures Pelagius John Wesley and Karl Barth

The Nature of the Will in the Writings of Calvin and Arminius Alrick George Headley,2017-06-05 Looking for deeper insights into an age old debate on the question of the issue of free will in the theology of Calvin and Arminius You ve come to the right place When the general question does man have a free will is directed to John Calvin and James Arminius the received and oft repeated answer is that Calvin jealous for the glory of God opposes free will and that Arminius being human centered advocates for free will thus robbing God of his glory This book shows through a fresh look at the original sources that the above characterization of the differences between Calvin and Arminius on the nature of the human will is misguided For by using the fourfold state of human beings as the lens through which to ask and answer the question it is shown here that the glory of God constitutes the main reason underlying both Calvin s opposition to and Arminius s advocacy of free will Moreover though for different reasons and with many nuances Calvin and Arminius do agree seventy five percent of the time in the created the redeemed and the glorified state that human beings possess free will However they differ significantly on the location efficacy and function of that free will For Calvin free

will is a gift of grace for Arminius it is a gift of grace and nature **Bisschop's Bench** Samuel D. Fornecker, 2022 In **Bisschop's Bench** Samuel D. Fornecker charts the incompatible theological agendas into which post Restoration Arminian conformity proliferated and challenges the thesis that a monolithic Arminianism marched steadily from the post Restoration period into the early Hanoverian **New Light on the Old Colony** Jeremy Bangs, 2019-10-29 Colonial government Pilgrims the New England town Native land the background of religious toleration and the changing memory recalling the Pilgrims all are examined and stereotypical assumptions overturned in 15 essays by the foremost authority on the Pilgrims and Plymouth Colony Thorough research revises the story of colonists and of the people they displaced Bangs book is required reading for the history of New England Plymouth Colony Massachusetts Natives the Mennonite contribution to religious toleration in Europe and New England and the history of commemoration from paintings and pageants to living history and internet memes If Pilgrims were radical so is this book **The Crisis of Calvinism in Revolutionary England, 1640-1660** Rev. Andrew Ollerton, Andrew Ollerton, 2023 This book investigates a puzzling and neglected phenomenon the rise of English Arminianism during the decade of puritan rule Throughout the 1650s numerous publications from scholarly folios to popular pamphlets attacked the doctrinal commitments of Reformed Orthodoxy This anti Calvinist onslaught came from different directions episcopalian royalists Henry Hammond Herbert Thorndike Peter Heylyn radical puritan defenders of the regicide John Goodwin and John Milton and sectarian Quakers and General Baptists Unprecedented rejection of Calvinist soteriology was often coupled with increased engagement with Catholic Lutheran and Remonstrant alternatives As a result sophisticated Arminian publications emerged on a scale that far exceeded the Laudian era Cromwellian England therefore witnessed an episode of religious debate that significantly altered the doctrinal consensus of the Church of England for the remainder of the seventeenth century The book will appeal to historians interested in the contested nature of Anglicanism and theologians interested in Protestant debates regarding sovereignty and free will Part One is a work of religious history which charts the rise of English Arminianism across different ecclesial camps episcopal puritan and sectarian These chapters not only introduce the main protagonists but also highlight a surprising range of distinctly English Arminian formulations Part Two is a work of historical theology which traces the detailed doctrinal formulations of two prominent divines the puritan John Goodwin and the episcopalian Henry Hammond Their Arminian theologies are set in the context of the Western theological tradition and the soteriological debates that followed the Synod of Dort The book therefore integrates historical and theological enquiry to offer a new perspective on the crisis of Calvinism in post Reformation England **The Hermeneutics of Participation** Greg McKinzie, 2025-07-15 Many theological interpreters of Scripture have claimed that church practices produce well formed readers But which practices Greg McKinzie argues that missional hermeneutics challenges the church to include participation in God's mission among the indispensable components of readerly formation After a quarter century of contemporary reflection on missional theology however the meaning of participation in God's mission remains vague In

order to explain why it is a critical hermeneutical experience therefore McKinzie sets out to develop a theological account of missional participation that incorporates the concepts of the sis embodied narrativity and solidarity Then in conversation with the hermeneutical phenomenology of Paul Ricoeur the study suggests how theologically recontextualizing a model of the movement from embodied commitments to textual interpretation in terms of participation in God s mission illuminates the epistemic reconstitution of the church s theological interpretation of Scripture Understanding participation in God s mission as theological interpretation s proper locus theologicus should reorient the notion of readerly formation because the formation of missional readers is the process in which God opens the reading community s embodied eyes of faith through the works of faith seeking understanding

Jacob Arminius Rustin E. Brian,2015-06-25 Jacob Arminius was a Dutch theologian whose views have become the basis of Arminianism and the Dutch Remonstrant movement and are quite influential on Wesleyan and therefore Methodist theology as well Arminius attempted to reform Reformed theology and ended up lending his name to a movement that resisted some of the primary tenets of Calvinism Rustin E Brian outlines the life and theology of Arminius shedding fresh light on his life theology and writings In hopes of better understanding Arminian theology and Arminianism Brian concludes with a constructive comparison and contrast of Arminius and several prominent theological figures Pelagius John Wesley and Karl Barth

Against God and Nature Thomas H. McCall,2019-06-25 Without a proper understanding of sin there can never be a proper understanding of the gospel Sin is opposed both to God s will and to nature leaving us in need of God s grace and redemption This comprehensive exploration of the doctrine of sin looks at what the Bible teaches about sin s origin nature and consequences engaging with historical and contemporary movements Dealing with difficult issues such as original sin angelic sin corporate sin greater and lesser sins and more this book ends with a discussion on divine grace which is the only hope for the problem of sin

The Letter and Spirit of Biblical Interpretation Keith D. Stanglin,2018-08-21 For the better part of fifteen centuries Christians read Scripture on two complementary levels the literal and the spiritual In the modern period the spiritual sense gradually became marginalized in favor of the literal sense The Bible came to be read and interpreted like any other book This brief accessible introduction to the history of biblical interpretation examines key turning points and figures and argues for a retrieval of the premodern spiritual habits of reading Scripture

Man's Faith and Freedom Gerald O. McCulloh,2007-01-01 Jacobus Arminius a Dutch minister teacher reformer born in 1560 called for religious tolerance human liberty and for a free church founded only upon the Holy Scriptures Opposing certain doctrinal and ecclesiastical developments of Calvinism and the Reformed Church Arminius advocated the universal atonement of Christ and the freedom of man to accept or reject this salvation The five papers and sermon contained here were delivered at the Arminius Symposium in Holland in 1960 They trace the events of Aruminius s life the essence of his theology and his influence in Europe England and America

Jacob Arminius Rustin E. Brian,2015-07-16 Jacob Arminius was a Dutch theologian whose views have become the basis of Arminianism and the Dutch

Remonstrant movement and which are quite influential on Wesleyan and therefore Methodist theology as well Arminius attempted to reform Reformed theology and ended up lending his name to a movement which resisted some of the primary tenets of Calvinism Rustin E Brian outlines the life and theology of Arminius shedding fresh light on his life theology and writings Brian argues that Arminius's theology is thoroughly unconcerned with being either Reformed or Catholic but it results in one theology that is shaped and guided first and foremost by Scripture The theological persuasion known as Arminianism became fully developed not during Arminius's lifetime but rather after his death when the five articles of the Remonstrants systematized and formalized the ideas Furthermore the Calvinist Synod of Dort condemned Arminius's theology and persecuted Arminian pastors who remained in the Netherlands though it might be argued that Arminian theology and not the theology of Arminius was the subject of this condemnation Later John Wesley the founder of the Methodist movement embraced Arminian theology and became its most prominent champion Today the majority of Methodists remain committed to Arminian theology and Arminianism itself has become one of the dominant theological systems in the world particularly in the Great Britain and the USA *Arminian Theology* Roger E. Olson, 2009-08-20 Roger Olson sets forth classical Arminian theology and addresses the myriad misunderstandings and misrepresentations of it through the ages For anyone interested in the Calvinist Arminian debate this irenic yet incisive book argues that classical Arminian theology has a rightful place in the evangelical church because of its deep roots within Reformational theology

Decoding **Reconsidering Arminius Beyond The Reformed And Wesleyan Divide**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Reconsidering Arminius Beyond The Reformed And Wesleyan Divide Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reconsidering Arminius Beyond The Reformed And Wesleyan Divide PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reconsidering Arminius Beyond The Reformed And Wesleyan Divide PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reconsidering Arminius Beyond The Reformed And Wesleyan Divide free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reconsidering Arminius Beyond The Reformed And Wesleyan Divide Books

1. Where can I buy Reconsidering Arminius Beyond The Reformed And Wesleyan Divide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
