Raft Trip

Bill was glad to finally use the raft that his dad gave him as a gift. He put the raft in the river and began to drift. The water was swift. Bill could see that the river split ahead. The left side looked calm and soft so he used the oar to shift the boat that way. The next part of the river was not very deep. Bill had to lift his raft up over the rock. He tipped the raft and his keys. Bill had to sift in the mud to find them. Finally, he reached the shore. What a trip!
