Truth, Justice and Reconciliation in Colombia Fabio Andres Diaz Pabon,2018-05-11 The signing of the peace agreements between the FARC EP and the Colombian Government in late November 2016 has generated new prospects for peace in Colombia opening the possibility of redressing the harm inflicted on Colombians by Colombians Talking about peace and transitional justice requires us to think about how to operationalize peace agreements to promote justice and coexistence for peace This volume brings together reflections by Colombian academics and practitioners alongside pieces provided by researchers and practitioners in other countries where transitional justice initiatives have taken place Bosnia and Herzegovina South Africa Sri Lanka and Peru This volume has been written in the south by the south for the south The book engages with the challenges ahead for the coming generations of Colombians Rivers of ink have dealt with the end goals of transitional justice but victims require us to take the quest for human rights beyond the normative realm of theorizing justice and into the practical realm of engaging how to implement justice initiatives The tension between theory the legislative frameworks guaranteeing human rights and practice the realization of these ideas will frame Colombia s success or failure in consolidating the implementation of the peace agreements with the FARC EP

The South China Sea Arbitration Alfredo C. Robles,2019-01-01 The South China Sea Arbitration which marks the first time that the Philippines and China have been parties to a compulsory dispute settlement procedure is a landmark legal case The Tribunal tackled head on critical issues in the interpretation and application of the UN Convention on the Law of the Sea that other international courts have failed to address particularly the compatibility of historic rights with the Convention the identification of maritime features as permanently submerged or above water at high tide and the distinction between features that are fully entitled to maritime zones and those that are not In addition the Tribunal also had to decide on issues as diverse as near collisions at sea illegal fishing of giant clams and sea turtles and the destruction of fragile coral reefs resulting from island building The Tribunals task was rendered arduous by Chinas refusal to appear before it In these circumstances understanding the Tribunals decisions is a challenging undertaking Chinas public relations campaign targeting the proceedings raised issues that the layperson could readily grasp notably African states support for its non appearance the integrity of the judges and the validity of arbitral awards Understanding the Awards and Debating with China aims to facilitate understanding of the South China Sea Arbitration by presenting detailed summaries of the two Arbitral Awards The

author rebuts the questionable claims raised by China's public relations campaign and highlights China's covert actions during the proceedings

Triumph and Betrayal Alexander Johannes Edmonds, 2025-04-21 While the study of Assyria as the world's first empire has never been more popular the events of the foundational early Neo Assyrian period 935-745 BC remain only poorly understood and explained This book re-examines the historical question of Assyria's expansion presenting a novel reconstruction of the early Neo Assyrian period with the latest data including new Assyrian kings detailed regional studies synthesising the newest historical and archaeological findings and interpretative essays outlining new historical factors The resultant history is unprecedentedly complex containing newly discovered succession conflicts difficult compromises with neighbouring powers local dynasties appointed to Assyrian governorships self-serving high officials and sudden reverses in policy In place of circular structuralist arguments for the Neo Assyrian expansion it presents a new model emphasising internal political conflict and competing visions for Assyria's future This book is intended for historians and archaeologists of Assyria for whom it will provide a new basis for research and also for scholars of neighbouring disciplines and laypersons interested in what happens to an ancient state before it becomes an empire
